- CHS/CSHS PTO Families

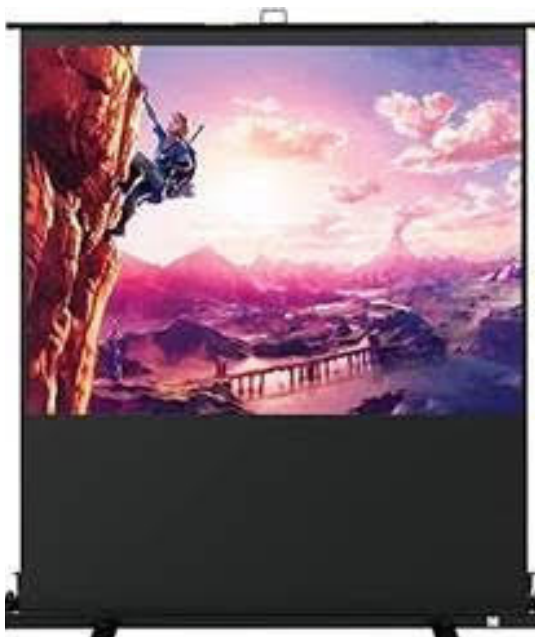

**Gift Card
for all
staff!
Nearly
\$14K**

CULINARY ARTS - AMANDA DORSEY

INTRODUCTION TO CULINARY ARTS & CULINARY ARTS 1

UPPER RIGHT: A culinary student uses one of the 12 Zwilling Chef Knives granted to the culinary arts program

"The addition of these knives to our kitchens has already made a huge impact. The kids are now able to cut, dice, chop, mince food with more precision. Having these knives with better quality blades makes this dangerous work much safer for my students." - Amanda Dorsey

FRONT OFFICE - CHRISTINA BENHOFF - CAMPUS WIDE

LEFT and BOTTOM:

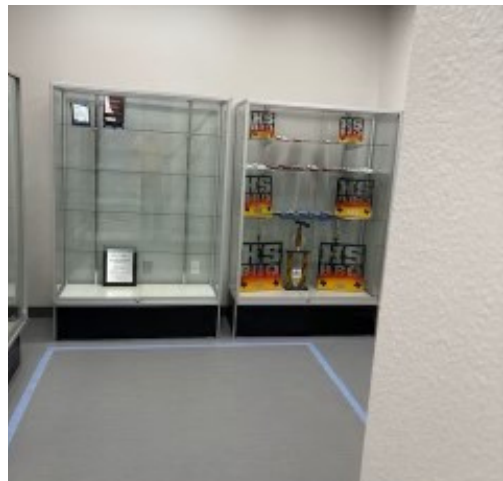

"The projector and screen are great!
We have already used them for our
Class Talks and Freshman Friendsie
events."

CTE - KIMBERLY GOODMAN

Career Technical Education

TOP RIGHT and MIDDLE: **FOUR** extra vision wall cases granted to the CTE PROGRAM, These cases will house Comp Sci UIL trophies, Robotics Vex & UIL Trophies, BBQ Team Trophies, BPA & DECA Plaques and trophies all needing a place to showcase CTE achievements

PHYSICS - HEATHER PEDIGO

AP Physics 1/AP Physics C

RIGHT: **FOUR** Dynamics Cart and Track System with Go Direct® Sensor Carts were funded for Physics classrooms. These will serve as class sets and replace some older equipment.

ENGLISH/SOCIAL STUDIES - GINNY WENGER

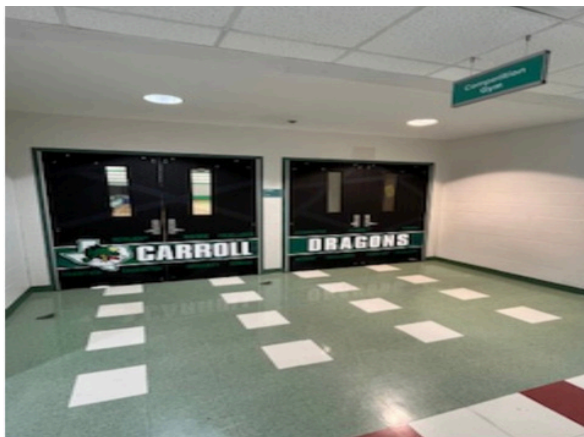

American Studies

RIGHT: **TEN** tables were granted with PTO funds!

"American studies is a collaborative environment. We are in tables all the time. My desks do not make tables well. In addition, the desks are very old and about twice a week I have a student who either scratches themselves on a rough spot or tears up a piece of clothing. I realize that this is a ridiculously large request that probably everyone in this building would want, but I'm just hoping for the best at this point.." - Ginny Wenger

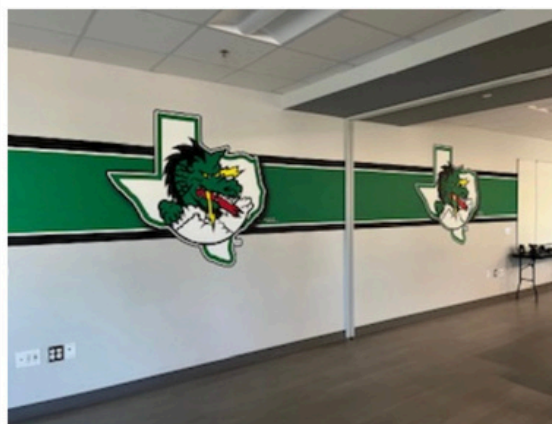

CARROLL HIGH SCHOOL CAMPUS IMPROVEMENT - ARMOUR WRAPS

CARROLL HIGH SCHOOL CAMPUS IMPROVEMENT - ARMOUR WRAPS

"The wraps that were added to the E hallways and the outside of the gym look great. We have had lots of staff members comment on how happy they are that we're taking care of the building by adding small touches. Even some kids said that the Dragon logo in the E hall looked "cool". If a kid says something about the hallways in their school, we'll take that as a huge win! The sign for the gym entrance has already worked as we were able to tell spectators for activities to "Look for the Gym Entrance on the side of the building". It's working great!!

We are always so thankful for everything our wonderful PTO does for us! Thank you from the bottom of our hearts!!" - Christina Benhoff

WINTER GUARD - JAMES THOMAS

Above: "The sabres from Designs by King are top of the line quality in the color guard world. These sabres will allow us to compete with the finest color guards from across the world when we attend the Winter Guard International World Championships in April of 2026. Furthermore, they will allow us to compete on a state and regional level throughout the season. The Winter Guard at Southlake Carroll is known as one of the top groups in not only the State of Texas, but also on a national level. We are a 3 time World Championships Finalist and have won numerous regional and state titles."

This is a 55 x 80 custom floor tarp to assist the nationally ranked winter guard program in their competitive endeavors.

"The winter guard programs have a history of success on a local and national scale. We have won numerous local competitions as well as the North Texas Color Guard Association Championships. The North Texas Color Guard Association is one of the largest winter guard associations in the country with over 400 active school units competing.

On a national scale, our Varsity winter guard has won several Winter Guard International Regional Championships as well as finishing in the top 15 on three separate occasions at the Winter Guard International World Championships. The WGI World Championships are held annually in Dayton, Ohio and attracts over 450 winter guards from around the world. We attend the world championships every other year.

We are one of the most successful color / winter guards in not only the North Texas area, but in the state of Texas. And it is with help of organizations like the PTO, we have the opportunity to achieve and compete at high levels. Having the opportunity to teach our students teamwork, leadership, confidence, commitment, etc is an absolute value to their experience in Southlake and beyond." - James Thomas

ACE - CHAUNCEY HORN

All four core classes and Life Skills

\$1500 granted to fund the ACE program's weekly cooking activities for the entire school year. Allows students the ability to learn cooking skills, following recipes and go shopping at grocery stores.

PROJECT GRADUATION

A fun-filled, safe overnight event immediately following graduation provides food, unlimited games, fun and a TON of prizes to our seniors. Over 90% of our senior class attends and brings joy to all of the graduate and our volunteers - even at 4am! This event is fully funded by our PTO Craft Fair, Project Grad donations and ticket sales.

BACCALAUREATE & GRADUATION

Each year the PTO sponsors the Baccalaureate, an optional, interfaith based ceremony. The PTO also assists CSHS with graduation ceremony expenses.

SCHOLARSHIPS

In 23-24, \$15000 in generous gifts helped fund tuition scholarships for several seniors of PTO members.

2023-2024 Scholarship Recipients
