Box Tops App

Box Tops are going digital! Please download this App on either iPhone and Android to earn additional money for our school. It is as easy as selecting our school, making qualified purchases, and scanning your receipt. No more clipping!

If you have any previous Box Tops that you have already clipped, we have a collection bin available in the front office for you to drop them off.

Feel free to request that your family, friends, and neighbors support our school through these methods.
