

Sponsor an Angel

Christmas is for Children is a non-profit, non-denominational organization dedicated to providing underprivileged children needed support, care and goods during the holiday season. Since 1991, CIFIC has supported over 50,000 children in the DFW area. This year our goal is share the joy of the holidays with over 1,200 local children. In addition to angel sponsorships, we also provide holiday food baskets. Last year we handed out over 1,250 food baskets. We have a long history of support from Southlake, Keller and Grapevine area schools, churches and businesses. We would welcome your support in our efforts to spread holiday spirit!
