

# TRANSPORTATION AND CONSTRUCTION GIRL™ 2018

## FUN & COOL EXHIBITS

From 8:30am - 11:30am, go through the interactive exhibits. Ever wanted to sit in the

driver's seat of a snow plow? You will be able to do that. Want to see the Wagner Equipment Bronco's Skid Steer up close? You can do that too. Who doesn't want to run an excavator simulator - all the fun and nothing gets damaged! Just remember - don't push the girls out of the way to get your turn! Exhibits will include heavy equipment like an attenuator truck, excavation simulators, a welding exhibit, tractor truck, bus and drones, to name a few.

*Join us in inspiring young women and celebrating today's ground breakers.*

## ENCOURAGE YOUNG WOMEN TO JOIN THE INDUSTRY

Currently women are only 8% of the workforce in construction. With huge projects on the horizon and huge workforce shortages, there is tremendous opportunity right now. We owe it to our young women to let them know that they have options and choices. Join HOYA Foundation and Adams County and meet women leaders in construction & transportation.

## NETWORKING & FUTURE HIRES

The HOYA Foundation sponsors young women so that they can meet industry leaders at their table and share career insights. These connections have already led to new hires.

## SCHOLARSHIPS

Four scholarships will be awarded.

## CAREER DAYS FOR GIRLS™ GRADUATES

Meet the young women who graduated from the summer Career Days for Girls.
