

SAFETY AND CONDUCT DURING CAREER DAYS FOR GIRLS:

You are responsible for respecting the authority and following the directions of the Career Days for Girls Guides and Hosts. We may exclude you from participating in all or any part of the Program if, in our sole discretion, your condition or behavior renders you unfit for the Program or unfit for continuation once the Program has begun. Unfitness may include, without limitation, any behavior that, regardless of its cause, is inappropriate or offensive or interferes with the delivery of the Program or may constitute a hazard or embarrassment.

Safety is our first priority. Participants and their parent/guardian must agree that participants will:

1. Put their cell phones away. These may be used for pictures only. Any texting or calling is prohibited during the program.
2. Stay with the group. Lagging behind is a safety hazard.
3. Pay attention when the hosts are talking. The hosts know the safety requirements for their area. It is imperative that participants pay attention to avoid any safety risks.
4. Follow the directives of the Guides or Hosts immediately.

There will be no warnings. If a participant is deemed unfit for the program, she will be removed immediately. Her parent/guardian will be called immediately to pick her up. **We are also requesting a copy of the guardian/parent driver's license.** We want to be able to ensure that the girl is picked up by the appropriate person.

There are additional benefits that may be given to graduates of the program – VIP invitation to Transportation and Construction Girl, introductions for mentoring and additional resources. To qualify as a graduate, the girl must complete the entire week of the program. Anyone who has been excluded from the program will not be allowed to participate in future programs.

This form is required for participation in Career Days for Girls.
