Welcome to SCYC-KMS!

What a great year it has been. I am extremely proud of each of our students for all of their hard work this year. This has been one of my favorite years at SCYC! Thankfully, we still have three more weeks of fun before everyone begins their summer break.

Game Room Olympics

Congratulations to all of our medalists during our Olympic Family Friday in April. Everyone showed tremendous sportsmanship during the events. Here are the hard earned results;

Basketball – (G) Matthew Rock, (S)

Abbi Sirovy, (B) Colton Risner

Bocce Ball – (G) Abbi Sirovy, (S)

Matthew Rock, (B) Colton Risner

Frisbee – (G) Colton Risner, (S)

Matthew Rock, (B) Sam Benninghoff

Soccer – (G) Colton Risner, (S) Abby

Leffert, (B) Abbi Sirovy

Paper Airplanes – (G) Sam Benninghoff

(S) Abby Leffert (B) Colton Risner

UNO – (G) Abby Leffert (S) Matthew

Rock (B) Colton Risner

SCYC 10th Annual RadioThon

We are excited to announce our Annual RadioThon on WKVI, 99.3 FM. Join us on **May 5th, from 10AM – 4PM** for an inspiring day of testimonials, special guests, and fun challenges. Most importantly, we will hear from our Club kids and their families. Club families like yours know that SCYC is an amazing place to learn and grow. Each month we work to make sure kids get what they need to have personal and academic success. We help make sure that families have support and that our community is a great place to be.

Your donations provide a wide variety of exciting and educational programs at SCYC. With your help, we can continue to keep your child safe and engaged after school. We offer homework help and tutoring every day. Students also attend cultural programs and learn valuable life skills.

To help spread the word, every student who returns three or more pledge sheets will become a Club hero and receive superhero gear. Check the dismissal cart for pledge sheets. You may also donate online at www.thescyc.org or call us during the SCYC RadioThon. Thank you for your continued support of our program.

April Students of the Week

Each week, SCYC staff members choose one student who goes above and beyond simply following all youth club rules. These students were exceptional role models, participated in every activity, and demonstrated what it takes to earn SCYC Student of the Week. Each student received free time during our Writing Prompt Center. Congratulations to all of our Students of the Week for April.

Week 1: Gabe Manning, Abby Leffert

Week 2: Abbi Sirovy, Eli Burger

SCYC Summer Program

Our summer program will feature brand new curriculum including Sea Perch. Students will get to build robots that are designed to complete tasks underwater. We will also have open swim and club favorite centers including Move and Cooking. The program runs from June 5th to June 29th, Monday through Thursday. It is open to students in grades 4-8, but space is limited. Free breakfast, lunch, and transportation will be provided. Be sure to contact Ryan for more information.

<h2>Have a great summer!!!</h2>					

Don't forget to save your spot for club next year. Re-registration packets were sent home through your student in April. Please complete these blue forms and return them to Club along with your \$20 registration fee. The deadline is June 15, 2017. Turn in your packets today so we can continue this fun next year.
