Starke County Youth Club

"Building a Brighter Tomorrow"

May 1, 2017
Volume 12 Issue 9

Starke County Youth Club Superheroes! The SCYC's RadioThon will be Friday, May 5, 2017. Your students have brought home pledge sheets and we are encouraging each student to ask family and friends for three or more pledges. After your student fills out the orange pledge sheet please drop it off at the sign out table in the box provided. If your students make their goal of three or more pledges they will be a part of the Superhero Club.

Important Information

- Last Day for SCYC is Friday, May 19, 2017. It has been an extraordinary year. We hope to see all of you next August!
- Thank you to Barbara Brack, Brenda Miller, and MaryAnn Turner for all your volunteer help to SCYC. Our students would not be complete without your help! We love and appreciate all of you!!
- Please know our students will be having Move and Recess outside throughout the month of May. It is recommended that your student wear gym shoes to SCYC. It is also encouraged that they avoid flip-flops for their safety.
- With the weather warming up and the sun shining, it is time to clean and plant our garden. This means our students will be working in the garden on nice days so please know your child/children could get dirty.
- The Starke County Youth Club students and staff would like to thank Ms. Julia Miller from Purdue Extension for our STEM projects. We hope to see you next year. We also would like to thank Ms. Crystal Sanders for all of her wonderful presentations encouraging us to get healthy.
- Thank you for a great year SCYC Instructors and Aides!

STEM-Organic Gardening

- Organic by definition is without synthetic fertilizers and pesticides.
- What do we need to prepare the soil to plant our organic seeds or plants?
- What do you need to do to grow the best vegetables for an organic Veggie Pizza?
- What is a bedding plant?
- Can you give me the definition for cultivation?
- Why do we need water and sun for our organic garden?
