# The Starke County Youth Club

September 2017  
Volume 16 Issue 2

"Building a Brighter Tomorrow"

We had a blast during the month of August. It was hard to pick a favorite activity, but I think all of the staff and students would probably agree it was our Ice Cream Social Family Friday. We have a lot of work ahead if we want to make the month of September even better!

- Our STEM centers this month are all about falling and flying. Students will get the opportunity to learn about wind resistance and how it affects the designs of their parachutes and rockets. Some lessons will have students slow down a falling object, or speed up a flying object. It's sure to be fun.
- Butter Braids are back! One of club's most important fundraisers starts in September, Butter Braid sales. Selling these delicious treats is a great way to help support the children of SCYC. Please help club reach our goal by selling 10 or more braids this year. Watch the dismissal area for more information, but be sure you know Butter Braid forms go out on 9/22 and forms and money are due on 10/13. Thank you for your support!
- SCYC will be opening tutoring slots during our second rotation beginning Monday, 9/11. If you are interested in your student receiving extra academic help, please see Ryan or Emily to be added to the list. Tutoring is not first come first serve, but is based on needs and staff availability.

## Family Corner

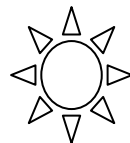

**SCYC offers events every Friday at 4:00 PM to allow your families to make memories! Help your child reach their goal of at least 4 visitors for the year.**

Sept. 8 - Crystal Sanders Visit @ KCES

Sept. 15 - Bingo Night @ KCES

Sept. 22 - Family Day Dinner @ KMS

**Sept. 29 - SCYC Closed - KCES Only!**

## In the Know

Greetings,

Celebrate Family Day - A Day to Eat Dinner with Your Children! On Friday, September 22<sup>nd</sup>, in the KMS cafeteria, dinner will be offered to SCYC-KMS and KCES members and their adults. Dinner will be served between 4:00-5:00 PM.

Family Day is a national movement to celebrate parental engagement as an effective tool to help keep America's kids substance free. More than a decade of research by The National Center on Addiction and Substance Abuse at Columbia University has consistently found that the more often kids eat dinner with their families, the less likely they are to smoke, drink or use drugs.

We strongly encourage you to come and spend time with your kids by having dinner together. Chat with them about their friends, interests and the dangers of drugs and alcohol. Know that YOU have the power to make a difference in your child's life. Please join to support us in our effort to keep Starke County kids drug free.

To learn more about Family Day please visit the following website:

<https://www.casafamilyday.org/>

Thank you,

Ryan

September welcomes the SCYC annual *Penny Wars*!! Watch the dismissal area for your homework team's bucket. Drop in donations of dollars and coins to beat the other teams. Each penny is worth 1 vote. As the coins add up, so do your votes. The winning homework team will enjoy a pizza party at the end of the month. Penny Wars will end at the close of club on Friday, 9/29. Help your team win! Collect and donate as many coins as you can!
