Welcome to SCYC-KMS!

What a fantastic month August was at SCYC KMS! Your students conducted experiments to determine which type of potato chip was the greasiest, made and enjoyed healthy brownie dip, and much, much, more! Our new students are doing great at club, and so is our newest staff member, Esty. Our students took some time to get to know our new staff member and asked her some questions as part of one of our activities. Enjoy the results below.

Q – “What do you like most about working at SCYC?”

Esty – “The kids are cool. The activities are really neat. I enjoy it here at KMS.”

Q – “What is your favorite food?”

Esty – “I don’t really have a favorite food. I enjoy all food. I prefer home cooked meals though.”

Q – “What are your favorite activities to do outside of SCYC?”

Esty – “Bike riding and running. Just hanging out with my family.”

SCYC Fundraisers

For those students and families new to SCYC, we hold monthly fundraisers at our dismissal area. Each fundraiser offers its own set of rewards and no two are the same throughout the year. Our September fundraiser is Penny Wars! During this fundraiser, the girls will compete against the boys to see which group can raise the most pennies, with the winning group earning a special treat.

Butter Braids

Butter Braids are back! One of club’s most important fundraisers starts at the end of September, Butter Braid sales. Selling these delicious treats is a great way to help support the children of SCYC. Please help club reach our goal by selling 10 or more braids this year. Watch the dismissal area for more information, but be sure you know Butter Braid forms go out on 9/22 and forms and money are due on 10/13.

Want more information about SCYC? Be sure to like us on Facebook or visit www.thescyc.org.

Family Day Dinner

Celebrate Family Day – A Day to Eat Dinner with Your Children! On Friday, September 22, in the KMS cafeteria, dinner will be offered to SCYC-KMS and KCES members and their family members. Dinner will be served between 4:00-5:00 PM.

Family Day is a national movement to celebrate parental engagement as an effective tool to help keep America’s kids substance free. More than a decade of research by The National Center on Addiction and Substance Abuse at Columbia University has consistently found that the more often kids eat dinner with their families, the less likely they are to smoke, drink or use drugs.

I strongly encourage you to come and spend time with your kids by having dinner together. Know that you have the power to help our kids. Please join us in the support to keep Starke County kids drug free.

For more information, please visit <https://www.casafamilyday.org/>.
