In the Know

Fundraiser – Penny Wars starts in September 2017.

Students will be able to bring in their coins and dollars to support club. Containers will be located at the sign-out table for our students and families to place change and donations. It is a **boys** versus **girls** challenge. Whoever has the most money at the end of the month will receive Ice Cream Sundaes. Please dig deep for those pennies and coins!

Family Day Dinner Celebration

We will be hosting our annual Family Day Dinner on Monday, September 25th. Family meals are the perfect time to talk to your kids and to listen to what's on their mind. More than a decade of research by the National Center on Addiction and Substance Abuse (CASA*) at Columbia University has consistently found that the more often kids eat dinner with their families, the less likely they are to smoke, drink or use drugs. Family Day is a national movement that encourages parents to frequently eat dinner with their kids and be involved in their children's lives.

To learn more about Family Day and to join families all across America in participating in the movement, log on to <https://www.casafamilyday.org/>. You can also attend our local celebration for a fun and free dinner with your kids. Check at dismissal for your invitation and more information.

Every Family is strongly encouraged to attend our local Family Day Dinner Celebration!! Our students love being with their families and Dinner Makes a Difference!!!
