**Welcome to SCYC-KMS!**

The leaves are beginning to change. It is officially fall! We have a lot of thrilling activities planned for the month of October. But before we begin October, we asked our club members to tell us about their favorite parts of club so far. Here is what they had to say.

**Samantha B.- “Dodge ball is really fun in our Move station. My favorite part of club is going outside for our stations.”**

**Abbi S.- “I like that we get to hang out with our friends after school. It is more fun with them, because we get to do fun things. My favorite station so far has been playing Hallway Red Ball.”**

**Miguel O.- “Cooking is really fun for me. I have made some of the recipes at home and they are really good.”**

If anyone is wondering, Hallway Red Ball is a soccer game we invented to be played in the hallway. It is probably our most popular game.

**Penny Wars**

Thank you for all the donations to our first fundraiser of the year, Penny Wars! This was the first fundraiser that the KMS students battle against KCES students. KMS fell short of the goal, but did earn some incentives for their efforts.

**Butter Braids**

Thank you for participating in our annual Butter Braid fundraiser. A helpful tip from some of our past top sellers includes selling to coworkers and at group functions. All order forms are due with money on Tuesday, Oct. 10<sup>th</sup>. Not only does this fundraiser help keep SCYC open, students can win fantastic prizes including:

- 1 Braid Sold – Bag of Albanese gummy bears.
  - 20 Braids Sold – 1 hour gift certificate to Sky Zone.
  - 25 Braids Sold or 40 as a family – SCYC Pizza Party.
- Good luck to all of our sellers!

Want more information about SCYC? Be sure to like us on Facebook or visit [www.thescyc.org](http://www.thescyc.org).

**September Students of the Week**

Each week, SCYC staff members choose one student who goes beyond simply following all youth club rules. These students were exceptional role models for their peers, participated in all activities, and demonstrated what it takes to earn SCYC Student of the Week. Each time a student earns SOTW, they receive free time during Writing Prompt Center. Congratulations to all of our Students of the Week for September.

- Week 1:** Ryleigh Freet
- Week 2:** Miguel Ortega
- Week 3:** Noah Singleton

**SCYC Updates**

Starke County Youth Club will be closed from Oct. 11<sup>th</sup> – Oct. 20<sup>th</sup> for Fall Break. This break is slightly longer than the school’s scheduled break. Please be sure to make alternative plans for your students.

On Oct. 26<sup>th</sup> our KMS site will remain open. Our elementary site, however, will close.
