SCYC KMS Runs the Numbers

What is your favorite season? This was the simple question proposed to our students for one of our daily writing prompts. Instead of simply responding with their answer and reasons, we decided to take a poll to try and figure out which season should become the official SCYC favorite season. Once the poll was taken, teams divided into groups and began prepping for the debate. They were asked to give factual reasons for why their favorite season should win. The debate lasted close to an hour! Fall started as the favorite during polling, and ended up gaining additional supporters during the debate. Here are the results.

- Fall (70%)** - More chances for outdoor activities, less bugs, and better sports.
- Summer (20%)** - Swimming, more cookouts, more daylight, and no school for two months.
- Winter (10%)** - Almost all bugs are dead, less sunburn, cold weather is refreshing, and fresh snow is fun.
- Spring (0%)** - Not chosen as a favorite season by anyone.

Butter Braids

Butter Braids will be delivered on Friday, 11/10. Freezer space is borrowed from KCES, so please be sure that your order is picked up on this day. Before leaving, please check to make sure your order is correct and complete.

Pie in the Face

After taking a year off, our Pie in the Face fundraiser is back! Jordan and Nathan will both get pied, but how many pies will be thrown? That is up to the students.

- Every \$5 will equal one pie.
- Students will randomly be chosen to throw the pies.
- Any student that donates \$10 at one time will be guaranteed to throw a pie.
- If we reach \$50 total, Ryan will take a very special pie in the face.

Thank you for your continued support of SCYC. All donations help keep our services available.

Want more information about SCYC? Be sure to like us on Facebook or visit www.thescyc.org.

October Students of the Week

Each week, SCYC staff members choose one student who goes beyond simply following all youth club rules. These students were exceptional role models for their peers, participated in all activities, and demonstrated what it takes to earn SCYC Student of the Week. Each time a student earns SOTW, they receive free time during Writing Prompt Center . Congratulations to all of our Students of the Week for October.

- Week 1:** Emily Sirovy
- Week 2:** Samantha Benninghoff

SCYC Updates

Starke County Youth Club will be closed from Nov. 20th – Nov. 29th for Thanksgiving Break. This break is slightly longer than the school’s scheduled break. Please be sure to make alternative plans for your students.

Also be sure to check WKVI for important weather updates. If the schools close or dismiss early, SCYC will also be closed.
