Starke County Youth Club

"Building a Brighter Tomorrow"

November 1, 2017
Volume 13 Issue 4

Fundraiser-The November fundraiser for Youth Club is **Pie in the Face**. Families and students can use their dollars and coins to vote for staff members who have agreed to take a pie in the face. If they raise \$50.00 or more in their bucket, Ms. Becky will also receive a Pie in the Face or maybe two pies! How about it club families, are you up for the challenge?

Important Information

- A big THANK YOU to all of our families who helped to make our Butter Braid sales a success. We would like to congratulate our top sellers: Mayla Franklin, Karsyn Kenny & Anna Marie Matys. Great job girls!
- Cold weather has arrived. Please be sure students have jackets/sweatshirts for outside activities.
- Visit our Facebook page "The Starke County Youth Club" for our most recent updates and pictures of all our enrichment activities at club. Tag your family in a pic to help spread the word about SCYC.
- Families, it is basketball season at school with many practices and games. Please remember to send a note for your star player's arrangements. Club can help keep everyone safe.
- We are once again collecting aluminum cans at the SCYC ODES site as part of our fundraising. Please bring your aluminum cans to the sign-out table Monday-Friday 2:30 - 4:30 PM CST. Don't just throw them away; donate them to club to keep us growing and strong.
- Important – When students bring home their IPADS from day school it is very important that when they are not in use they remain in their backpack for safekeeping. Club will provide iPads should technology be needed. Be sure to cover this rule with your student.

Family Corner

Thank you to each of the families who have been able to attend our Family Monday. Each week we invite you to join us, beginning at **4:00 PM CST** for fun, family activities.

Monday, November 6th – France with Ms. Kathy

Friday, November 10th-Butter Braid Delivery

Monday, November 13th-IU Heath with Crystal Sanders

November 20th -November 29th –Club is CLOSED

Please feel free to contact Ms. Becky at: 574-806-6242 or beckyp@thescyc.org, for additional information.

In the Know Car Talk

Academic growth is an important component for our students. We strive for them to learn while having fun. A car ride home is a perfect opportunity to chat. Below you will find a few of our November enrichments to discuss.

- **STEM: Kidz Science with Bubbles** –Did you know? The surface layer of liquids has a thin elastic "skin" called surface tension. You can see surface tension at work when you see a drop of water – it creates a little "bead" of water, like a little dome. Surface tension is what makes the dome shape – the water doesn't flatten out.
- **STEM Challenge:** Did you know something as simple as your student making Flubber can introduce them to a career in Chemical Engineering. Hop on Pinterest or Google to learn how to complete this fun activity at home too.
- **Cooking:** Apples, cooked or raw, you cannot go wrong. There are less than 100 calories in a medium-sized **apple**. Apples are free of fat, sodium and cholesterol. That same medium-sized **apple** contains 4 grams of dietary fiber, which is 17% of the daily-recommended value for Americans. Pick an apple today and enjoy one with your kiddo.

*Butter Braid Delivery
Friday, November 10th
