Starke County Youth Club

"Building a Brighter Tomorrow"

January 1, 2018
Volume 13 Issue 7

Wow! Look who is getting a Pie in the Face for club. Last month's fundraiser was a big success. Staff members raised these totals for club: Ms. Alexis \$28.01, Ms. Caitlyn \$28.80, Ms. Kennedy \$28.05, Ms. McKenzie \$38.05, Mrs. Ash 28.90, Ms. Deb#1 \$29.50, Miss Quinn \$34.05 and Ms. Becky \$55.60. Thank you for your kind donations, because with your help we raised a total of **\$261.16**. You can see your favorite staff member get their pie on Friday, January 12 in Room 127.

Important Information

- January Fundraiser for club is the "Polar Plunge". Please look for details at the ODES sign out table.
- We would like to thank Julia Miller from Purdue Extension for making a monthly visit to ODES site with our STEM experiments. What a great opportunity for our students to be exposed to Purdue University.
- Crystal Sanders from IU Health is always the highlight of the month for our Family Mondays. December she discussed the dangers of ear buds with the families, and had students play fun holiday games. Please join us this month and see what she has in store to help us learn and improve our health benefits.
- Our volunteer Barbara Brack is so dedicated to ODES and our students. She visits us weekly to work one on one with our students and their reading skills. Thank you, Barbara, for making a difference in our students' lives.
- Please find time in your busy schedules to attend our **G.E.A.R. Up Family Monday with Starke County Emergency Management Agency**. Director Nier will teach us survival skills for our home and car for the cold weather months.
- Please visit our Facebook page "The Starke County Youth Club" for our most recent updates and club closings.

Family Corner

Thank you to each of the families who have been able to attend our Family Monday. Each week we invite you to join us, beginning at **4:00 PM CST** for fun activities.

Monday, January 8th – IU Health with Crystal Sanders

Friday, January 12th – Pie in the Face

Monday, January 15th – SCYC will be closed

Monday, January 22nd – Starke County Emergency

Management Director, Ms. Nier, teaches cold weather skills for Home/Car (G.E.A.R. Up)

Monday, January 29th – 4-H Days

Please feel free to contact Ms. Becky at 574-806-6242 or beckyp@thescyc.org, for additional information.

In the Know

Dinner Chat

Families, here are some interesting topics for your dinner chats.

- STEM-Remarkably, soap bubbles can be blown in very cold temperatures, freeze and remain intact if they are strong enough. Chat with your students about the crystals they observe in frozen bubbles.
- Move-All you need is some ping pong balls, glass cups, paper and pencils for your students to get moving and to and learn about force. Let them show you how.
- CIA- Denmark is the country we will experience for the month of January. Did you know Legos were invented in Denmark in year of 1949?
- Cooking-Healthy eating is the push for January, as SCYC gets back to eating salads. Chat with your student about the importance of healthy eating while enjoying the flavors of many different kind of salads.
- Do you need an activity for your students during those cold winter months? How about an extra large puzzle. Be sure to frame it and hang it as wall art when finished. They'll love it for years to come.
