The Starke County Youth Club

February 1, 2018
Volume 16 Issue 7

"Building a Brighter Tomorrow"

As we start another new month here at Youth Club, we want to thank all of our families for making January a GREAT start to the new year. Without your support, we would not be able to help the students of our community on a daily basis.

- Polar Plunge is still going strong! Our goal is still \$150 dollars, \$50 for each of our staff members participating. Ms. Hannah, Mr. Nick, and Ms. Natalie would LOVE to take the icy plunge so donate today! If everyone hits their goal, Ms Emily will join the splash too. Every penny donated to our fundraiser ensures your student has a fun, safe and loving environment each day after school. ☺
- Studies show that program attendance of 60 days or more can improve academics and physical health for participating kids. It provides a safe place for kids to be while families work too. Help Club reach our goals. Be sure your student attends at least 60 days this year. Not sure if you have met the goal? Check out the last two columns of your sign out sheet.
- Below you will see a list of Family Friday events. Every Friday Club gives your family the opportunity to spend some quality time together! You may learn something new, make something neat, or even go head to head with your student in a fun competition! Each year we would like you to join us at least 4 times for our special family events. Come join us and help your family hit your goal!

Family Corner

SCYC offers events every Friday to allow your families to make memories! Take a look at the events below and come join us.

February 2nd: Pie in the Face!

February 9th: Ms. Lindsay's Art Class

February 16th: Crystal Sanders' Presentation

February 23rd: Polar Plunge!!!!

**Has your child reached their goal of 4 visitors?
Be sure to check the sign out sheets.**

In the Know

Greetings,

We would like to take a moment to recognize our amazing staff! Each day they come in set and ready to help your students in any way they can.

Every day they are greeted with a warm smile from Ms. Connie. They also get a yummy snack from Mr. Nick. Ms. Megan ensures that they get a chance to be creative and make messes in Create class! Ms. Toni brings stories to life when she reads to the kids during Achieve. Ms. Ashley gives the kids a chance to be engineers while building LEGO Robots in technology. In addition, who doesn't love eating many new and delicious foods with Ms. Rose in cooking!

Of course, we couldn't do any of the activities listed above without the amazing support and hard work of our aides. Ms. Hannah, Ms. Sam, Ms. Alyssa, Ms. Jennifer Ms. Maddie, and Ms. Natalie are always eager to help when they are needed in every center that we hold!

We are very thankful for all of the people who bring light to our program and into our children's lives.

Thank you,

Ryan

Emily

KCES January Activities

Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sun
5 K/1: Patterns in Motion 2: Game Room 3/4 : Frog and Toad 5: KidzScience All: Choice of Technology, Move, Veggie Soup	6 K/1: KIDZSCIENCE 2: Patterns in Motion 3/4 : Game Room 5: Frog and Toad All: Choice of Technology, Move, Veggie Soup	7 K/1: Frog and Toad 2: KIDZSCIENCE 3/4 : Patterns in Motion 5: Game Room All: Choice of Bubble Art, Cyprus Facts, Lego	8 K/1: Game Room 2: Frog and Toad 3/4 : KIDZSCIENCE 5: Patterns in Motion All: Choice of Bubble Art, Cyprus Facts, Lego	9 Family Friday Painting with Lindsay Where: KCES When: 4:00 SCYC Closes at 5:10	10/11

All: Choice of Monet Painting, Cyprus Food, Lego	2 Family Friday TBD Where: KCES When: 4:00 SCYC Closes at 5:10	3/4

How much fun was our Pie in the Face celebration?! Your donations make these activities possible for the children of our community. There is still time to donate to our Polar Plunge fundraiser. The estimated temperature for the 23rd is 26 degrees! Please help make sure that the staff has to go swimming on this day. As of now, everyone is dry.
