**SCYC—KMS New Clubs!!**

January featured a lot of exciting moments at SCYC! We introduced our new and improved club and the students are loving the new aspects of the program. We took a moment to give the students a chance to tell us about their favorite parts of the new club. Here is what they said.

“I’m not even sure how to make a cup of coffee. Ryan showed me how the first day of the new club. I really like the coffee and hot chocolate we get during the activities.” - Kadon R.

“I really liked the Chicken Noodle Soup we made during Cooking Club. I also liked making glow in the dark slime. Clean up was easy, we just turned off the lights and cleaned up the glowing spots on the tables.” - Samantha B.

“I liked going to club a few years ago, but this new club sounds awesome. Where was this when I was attending?” Chase F. (KHS)

“I accidently stayed longer than I was allowed too. The Wii competition is fun” - Matt R.

**Family Fridays**

Every Friday is Family Friday. Each student has a visitor goal of 4 for the year. Be sure to check the sign in sheets to see how close you are to reaching the goal.

Friday, 2/2— Join us as we celebrate the success of our Pie in the Face fundraiser. Watch as lucky students get to throw a pie at our selected staff.

Friday, 2/9—SCYC will be at SCPL on this day. Stop by for an always entertaining activity. Last month, students learned about famous painters and created their own masterpieces using watercolors.

Friday, 2/16—Crystal Sanders will be at KCES to cover important health matters affecting our students.

Friday, 2/23— Donations are “pouring” in to help us reach our big goal. Join us on this Friday to watch our daring staff take the plunge in freezing temps.

**January Students of the Week**

Each week, SCYC staff members choose one student who goes beyond simply following all youth club rules. These students were exceptional role models for their peers, participated in all activities, and demonstrated what it takes to earn SCYC Student of the Week. Each time a student earns SOTW, they receive free time during Writing Prompt Center . Congratulations to all of our Students of the Week for December.

**Week 1:** Amanda Warren

**Week 2:** John Novello

**SCYC Updates**

Our Polar Plunge fundraiser is still going on. Please help us continue to provide the students with educational and fun activities afterschool. In an effort to help reach the goal of \$50 and guarantee a staff member takes the plunge, SCYC will extend this fundraiser into the month of Feb.

Always check WKVI, 99.3 for important weather updates and club closures.

Thank you for helping us celebrate our Pie in the Face! Your donations not only helped pies get thrown, it helps ensure that we can continue to provide a great program for our students. There is still time to donate to our Polar Plunge fundraiser.
