## In the Know

### Dinner Chat

What to talk about at the dinner table? Let SCYC help you. SCYC Enrichment activities provide a wonderful topic to generate discussion.

- STEM: Who stole my Chocolate Chip Cookies? Our students have been able to solve real-life mysteries while learning about dusting for finger prints with their forensic science experiment.
- Game Room: Board games are a wonderful way for families to spend a cold Sunday afternoon together. Ask your student what board game is their favorite at Youth Club.
- CIA (Culture in Action) Cyprus is the country of choice this month. Can you point this tiny little island country out on a map? If not please check it out with your student.
- Cooking-Does your family eat Heart Healthy? Ask your students what veggies and fruits give them the best benefits for a healthy heart. Dishes like Veggie Pinwheels and Alphabet Veggie Soup can be a good start.

## Important Information

- We would like to thank our SCYC students and families for helping us surpass our goal and raise \$105.56 for club. Awesome job! Be sure to join us on Friday, February 23<sup>rd</sup> for the "Polar Splash" and see Ms. Becky take the plunge.
- A big thank you to Leader, Kim Temple of the **Starke County Barn Busters 4-H Club** and the club members Javelin Norem, John Norem and Chloe Temple for sharing their 4-H projects, ribbons and honors from the Starke County 4-H Fair. It made for a fantastic Family Monday.
- There is much illness surrounding us in the school and community. Please encourage your students to wash their hands often to rid them of those nasty germs.
- We encourage all of our SCYC students not to bring valuables/toys to club. If a student happens to bring an item to club, they will be asked to keep it in their book bag until they return home.
- Please remember we are still collecting aluminum cans to recycle for our Radio Thon donation. Be sure to bring your cans in today.
- Are you looking for a tax deduction for the 2018 year? You may donate with your credit card to the Starke County Youth Club at [www.thescyc.org](http://www.thescyc.org).
- For weather closings and updates, please listen to WKVI 99.3 on your FM dial.
