The Starke County Youth Club

March 1, 2018
Volume 16 Issue 8

"Building a Brighter Tomorrow"

This school year has brought many great things! We have seen so much growth in all of our students whether it is socially, or academically everyone has grown this year! We hate to see it going by so fast, but we love to see the progress!

- We would like to thank all of those who donated to our Polar Plunge fundraiser over the last two months. We reached our goal of \$150! All of our staff and students had a blast celebrating too! Although it was FREEZING, it was worth it to see all of the happy faces, and we helped Youth Club in the process. ☺
- Please note, Youth Club will be closed for Spring Break, March 26 - April 10. We will return to regular programming on **Wednesday, 4/11/18**. This break is longer than your school break. Please be sure to make alternative dismissal time plans and to send a note to your day school teacher.
- SCYC is a great place to be and we are eager to build a sense of community around these amazing children and families. As such, we are soon offering SCYC Spirit Wear for club members, supporters, and staff. This sale will include SCYC t-shirts, hoodies, bracelets, and headbands. Support our club and show your love by ordering your gear during the month of March. Watch your dismissal table for details.
- Remember, as the weather improves, SCYC activities will be moving outside. Be sure your student has closed shoes and warm, long sleeve jackets for outdoor play.

In the Know

Greetings,

It is that time of year again; we are all getting our taxes done. This year H&R Block is going to help Youth Club again with the annual H&R Block Referral program!

If you are a new client at H&R Block this season, you can take our nonprofit ID (40010001097400) with you when you go to H&R Block and SCYC gets \$20!

This program runs through the end of tax season. You can feel good knowing you helped our Club raise money while getting your taxes done.

Thank you,

Ryan

<h2>Spring Break - Club Closed 3/26 - 4/10/2018</h2>					

Thank you to all who donated to our Polar Plunge!! We are so excited to celebrate on the 2nd of March! It looks like the warm weather isn't going to stick around for us, it's estimated to be only 35 degrees!! To add to the cold we will also be adding ice to our water, so make sure you are there to join in the fun!
