Starke County Youth Club

"Building a Brighter Tomorrow"

March 1, 2018
Volume 13 Issue 8

Fundraiser Success-Thank you to everyone who donated to our February Fundraiser "Hearts for Kindness" We exceeded our goal and raised \$115.29. All proceeds help SCYC with operating costs. Your kind hearts are very much appreciated.

Important Information

- **Important Notice to all SCYC Families:** Many of our students have coats, swim gear, shoes and backpacks that look alike. Please label your student's items with a permanent marker with their first and last name. Thank you for taking this extra step to help.
- We want to thank "Musical" Miss Maggie Vogel for sharing her musical talents with the SCYC ODES families. The best part of our day with Miss Maggie was that she allowed all of us to jam with her electric guitar. You rock Miss Maggie!!
- A big thank you goes out to ODHS site for our wonderful Family Monday about robotics. The presentation triggered many questions about the structures, how they operate and the process of programming the robots. A special thank you goes to Mr. Corey, Chris, Colin, and Stone for an extra special presentation.
- As part of our funding, SCYC ODES hopes to have at least 30 kids attend 60 or more days per year. We are pleased to announce that we have surpassed our goal with 36 students at 60 days or more. ODES site is atomic.
- Families, please remember to help our site reach our goals we need you to attend **four Family Mondays** a year.
- Be sure to get in on the fun and show your Youth Club pride. SCYC Spirit wear will be available for purchase this month. From T-shirts to hoodies, sweatpants to headbands, we have the gear to keep you stylin' all year. Watch the dismissal table for order forms and be sure to load up on Club apparel for the whole family.

Family Corner

Thank you to each of the families who have been able to attend our Family Monday.

Monday, March 5th-IU Health with Crystal Sanders

Monday, March 12th- Starke County Library - Family Literacy Night

Monday, March 19th - Nancy Reeves - Spring Bonnets

Monday, March 26th - Friday, March 30th Club will be CLOSED for Spring Break

Friday, May 4th - SCYC Radio Thon

In the Know

Dinner Chat

Need ideas on what to talk about at the dinner table? Let SCYC help you. SCYC Enrichment activities provide a wonderful topic to generate discussion.

- **STEM:** Exploring the STEM world of Magnets. What do magnets have to do with science? If you do not know ask a SCYC student?
- **Friday STEM Challenges** hands on learning projects: Straw Structures, Scavenger Hunt and Paper Chain. Inquiring minds want to know!
- **CIA (Culture in Action) Thailand** is the country of choice this month. Can you tell me where Thailand is located on a Globe? Any SCYC member at the ODES site can show you!
- **Cooking**-If you have many hard-boiled eggs left over from your Easter Egg Hunt and do not know what to do, try our deviled egg dip with buttered crackers. They will disappear in a flash!
- **Fitness:** Handkerchief tag has become very popular at the ODES site. Old cloth handkerchiefs, kids and space will provide you with fun and excitement.
