Starke County Youth Club

"Building a Brighter Tomorrow"

April 1, 2018
Volume 13 Issue 9

In the Know

Starke County Youth Club SUPER kids!

The SCYC Radio Thon will be **Friday, May 4, 2018**. Your students will be bringing home pledge sheets and we are encouraging each student to ask family and friends for **(3) or more pledges**. After your student fills out the pledge sheet form please bring them to club and turn it in at the sign out table. If your student makes their goal of **(3) or more pledges** they will be a part of the Superhero Club. Our Superhero Celebration will be on Friday, May 4th during club hours.

Important Information

- **Important to all club Families:** Grant funding has been reduced at SCYC and our budget is smaller. Please help club with your donations to keep us up and running. Afterschool and Summer Learning programs need your support.
- **Wonderlab Field Trip** – Saturday, April 28, 2018 for grades 3, 4, 5 and 6 in Bloomington, Indiana. Permission slips are due no later than Wednesday, April 18th to Ms. Becky.
- Please remember your **aluminum can** donation for the Radio Thon. Bring them to the sign out table anytime between 2:00-5:00 PM CST.
- The guidelines for our grant require that all our families attend at least four Family Mondays. Many of our families have surpassed the requirement, but we still have a few families who have not quite made that goal. If you are unsure about your attendance you may have your student check on the sign in sheets.
- A special **Thank You** to Timmy Reeves' grandma, Nancy Reeves, for the best Family Monday of the season. Everyone loved creating their spring bonnets and giving them to a special person in their life. Ms. Nancy's creativity is contagious!

Family Corner

Thank you to each of the families who have been able to attend our Family Mondays. Each week we invite you to join us, beginning at **4:00 PM CST** for fun activities.

April 2nd - Card Sharks

April 9th - 10th - **Club Closed**

April 16th - IU Health with Ms. Crystal

April 20th - 23rd - **Club Closed**

Dear Friends and Families,

SCYC is such a tremendous place to grow and learn. Each month we serve more students, help more families, and build a better community. We are meeting our academic and social goals. We are providing support to children and their families. As we continue to grow in so many ways, we face a difficult reality. As our program grows, so do our funding needs.

Your support, both emotional and financial, becomes even more important with each way we grow to serve your family. With your donations we continue to:

- Keep your child safe and engaged from school dismissal until you are able to be home.
- Provide tutoring and homework help to ensure your student's success at school.
- Host our weekly Family Mondays to inform and connect the family free of charge.
- Keep our program accessible to children in Starke County.

Donations and pledges can be made directly to The Starke County Youth Club main office or delivered to your site coordinator. Check the dismissal table for pledge sheets. You can donate online at www.thescyc.org. We can even accept a credit card over the phone. Donations are 100% tax deductible. **On May 4, 2018 from 10 to 4 PM we'll be live on WKVI. Please call with your pledge of support during our RadioThon.** Talk with your family, your church, your clubs, and your organizations. Approach your work place friends, managers and bosses. Encourage everyone to give. Together, we continue to build a bright future for your child and for the children of Starke County.

Don't Wait. Call In, Log On and Help a Child!
