##### How to Register:

You can register by coming in to the studio or by phone. See our contact information and studio hours below. Your class selection will be secured once you have paid the registration fee.

##### How to figure out the monthly payment:

Tumblers pay only the registration and monthly lesson fee. Dancers use the following formula: (costume fee + recital fee + competition fee) divided by 9 plus monthly lesson fee = **total monthly tuition payment**. Finally, apply multiple class discounts if you sign up for more than one class (see discount table to the left).
