Solid Craft Boats

ABOUT US

Solid Craft Boats was started in a pole barn on a farm in 1999 building just a few boats each year.

Solid Craft Boats are made in the USA. We have two manufacturing facilities located in Wilmington, Ohio.

As the “Gold Standard in Marine Rentals” we also work with individuals and families to customize their own pontoon that they can enjoy for a lifetime.

OUR PRODUCTS

We customize each pontoon boat to the owner's needs and specifications.

Our pontoons are available 8' or 10' in width and from 24' to 42' in length.

Solid Craft Boats is known for our double deck pontoon with dual slides but we also offer Jon Boats, single deck pontoons and PondToon Islands/Docks.
