PLANNING OF TWIN FALLS
ASSEMBLY MARCH 1973.

TO: ALL AL ANON AND AL-TEEN MEMEBERS

Our State Delegate will be going back to New York in April, therefore we are planning an area assembly before she leave. She has been selected to serve on "Panel 13", which is a panel of 13 States to do some special panel work for the Conference. She needs the help of the Idaho members in order to truly represent Idaho in each of your opinions.

Lets remember what Al-Anon was created for, to help members in the individual groups and that by helping others we help ourselves. This is just a true on a group to group basis, one group helps a new group and therefore helps itself. This is mainly why we have organized the State in order that the the group representatives would represent the groups to enable and help new groups to get started and be able to survive. We are so new at this that we cannot foresee what has happened in other places to create great problems. If we keep an open mind and listen and learn and share our views with others perhaps we will not have this happen to us.

With all this in mind your Area chairman has planned an area assembly in Twin Falls March 17, 1973. Please send your G.R. and anyone in your group who may be interested.

Live and Let Live:

New York, your Delegate, Your State Officer, your G.R.'s do not tell your groups what and how to run your meetings, they only want to love and help you to grow and assist you whenever you and your groups feel the need for help. The Officers are but trusted servants, the 12 traditions.

The 12 steps -- the individual finds his way back to a new and beautiful life.

The 12 traditions -- the Groups find their way back to know how to get along together,
