

Idaho State A1-Anon

Darlene P. - Chairman

Evelyn W. - Secretary - Treasurer

Betty T. - State Delegate

To - All Idaho A1-Anon Groups:

MONEY IS THE ROOT OF ALL EVIL - DON'T HANG ONTO IT-----

The State of Idaho is now being organized and it needs money -----

We also need to remember that New York also needs money for without them we could not have this wonderful fellowship that we have.

Remember - First things First -

The following is a suggested 1st things first in your group when making your weekly collections in your group meetings. Do pass your basket at each meeting and the following are 1st things first as to how not to have any on hand.

1st - Pay your Rent

2nd - Pay your coffee and refreshments if any.

3rd - Make sure you have plenty of literature on hand.

4th - Send contribution to State Delegate fund ( Approx. 30.00 per group needed per year)

5th - State Treasurers Fund - ( 1.00 per year per member is recommended)

6th - New York World Service - ( 2.00 per year per member is recommended)

After these are paid and you still have money - take on community projects as to your groups liking.

If your weekly collections are not enough to cover the first 6 items above then there are a number of projects you could start for raising the extra funds you will need.

January 1, 1973 is the deadline for State Delegate Fund so get as much into your state treasurer at this time as you feel you can scrape up.

Sincerely

Darlene  
Evelyn  
Betty
