Al-Anon Temporary Chairman

Dear Al-Anon's

I am temporary chairman for the State of Idaho to get a delegate elected this November. In order for us to have a delegate we first must have Group Representatives from each group. Please see that your group elects a G. R. and sends her name into me as soon as possible.

Group Representatives are the only ones who have a vote in the election for a delegate. I must have your Group Representative name before the Conference in Twin Falls in November. Please elect someone who can attend this conference if at all possible.

I will call a special meeting while in Twin Falls with the names of Representatives that I have received at this time.

Please have your representative send this letter back with her name, address, phone and answer questions below.

Yours truly

Betty T

Delegates will be required to serve the entire State of Idaho, and to help all groups as much as possible. Delegate must be able to attend Conferences and attend N. Y Conference in the spring with groups supplying money of \$ 300.00 for her trip.
