has invited

to enlighten, educate, inform and...of
course...entertain.

The Team, one of four TAPS Official Family Members in Pennsylvania, will be bringing some of their state-of-the-art equipment used in paranormal investigations.

The Team will interact with the crowd, answer questions, and, if you ask, tell stories of some of their home and historical site investigations.

Tarot Card Readings will be available...and...if the Spirits decide to honor us with their presence (and they always do) ... one of the Mediums may have a message or two for the patrons.

When?

Friday, October 19, 2018
7pm-11pm

Where?

Collusion Tap Works
105 S Howard St.
York PA 17401
717.848.8400

Why?

Because...why not?

One more thing...

SIPA is a non-profit organization – and they always need batteries and equipment!

They will not be charging for Readings – these are just one of the many services they offer!

We will be providing a “Tip” jar for our patrons. Any donations would be much appreciated.
