Childproof America empowers families in the battle against sex trafficking. Our mission is to educate, equip and support America's parents in the protection and defense of their children, and improve the quality of aid to impacted families. As advocates, we provide legislative pathways for concerned Americans to enforce harsh penalties to those violating the innocence of our children.

THE NEW CODE

Traffickers are using emojis to avoid detection

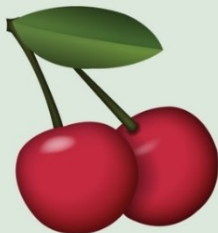

Child sex traffickers are using emojis to lure young victims. To avoid being flagged by a website for using trigger words such as "young," traffickers are using emoji symbols, because they are much harder to identify. Here are some examples of the symbols used.

The number of roses corresponds to price

The girl or boy in question is under house arrest

"Virgin"

"New in town"

"Childlike." Essentially, the girl or boy has some growing to do.
