## Senator Ted Cruz Joins Our Speaker Panel

**E**ducation and awareness events are popping up throughout our state due to the increased threat of human trafficking which has pierced the protective bubble of the all-American family.

While these presentations are informative, most lack the comprehensive approach parents, grandparents, educators and caregivers need to fully understand this issue on all levels. The Back to School Parent Empowerment Seminar features experts from local, state and federal agencies who will share their expertise. Additionally, two survivors, each with very unique testimonies, will help our audience understand how swiftly and strategically an unsuspecting victim can be lured into the world of exploitation.

This seminar is a must for everyone who is committed to taking a proactive approach to an epidemic Governor Abbott recently declared a public health crisis. Registration is required and encouraged soon as the venue can accommodate 500 guests.

"SESTA/FOSTA clarifies the accountability of these websites and expands penalties for those who run them. We want to ensure that those who promote and enable these grotesque crimes will be held liable and brought to justice — in Texas and all over America."  
-Texas Tribune, April 17, 2018

Senator Ted Cruz
