Education and awareness events are popping up throughout our state due to the increased threat of human trafficking which has pierced the protective bubble of the all-American family.

While these presentations are informative, most lack the comprehensive approach parents, grandparents, educators and caregivers need to fully understand this issue on all levels. The Back to School Parent Empowerment Seminar features experts from local, state and federal agencies who will share their expertise. Additionally, two survivors, each with very unique testimonies, will help our audience understand how swiftly and strategically an unsuspecting victim can be lured into the world of exploitation.

This seminar is a must for everyone who is committed to taking a proactive approach to an epidemic Governor Abbott recently declared a public health concern. Registration is required and encouraged soon as the venue can accommodate 500 guests.

Your \$12-\$15.00 ticket includes boxed lunch, notebook/pen and gift bag.

On Sat. Sept. 8th Childproof America will host a small, private dinner party with award-winning movie producer Benji Nolot, *Nefarious: Merchant of Souls*. Childproof America has partnered with Mr. Nolot on our eLearning Parent Video Curriculum, a free online resource geared to parents and caregivers across the U.S. The interactive resource, estimated to reach 5 million households in two languages, will provide the top strategies traffickers use to lure young, unsuspecting victims.

The dinner will be held in a beautiful home in the Sweetwater community. Chef Lionel will prepare a delicious 6-course meal with Sommelier Camille Hicks pairing each course with a special wine selection.

Space is very limited for this special fundraising dinner. Proceeds will support production costs for the eLearning Parent Curriculum. Please contact Kelly@ChildproofAmerica.org for availability.
