Subspecialty Care: Pearls for the Pediatrician

November 4, 2017

The M Resort | 12300 Las Vegas Blvd S.
Henderson, NV 89044

Joint Providers

Dear Colleague,

I invite you to join me and your pediatric colleagues at our 10th Annual Meeting of the Nevada Chapter of the American Academy of Pediatrics on Saturday, November 4, 2017 at the M Resort in Henderson, NV.

This meeting is not just for AAP members. I particularly want to invite nonmembers, family practice physicians and other healthcare professionals to join us for this important update on very timely pediatric issues. In addition, this year, we will be addressing physician wellness and advocacy as well.

Our chapter mission is to better the lives of infants, children, adolescents, and young adults throughout the state of Nevada by improving child health through increased access to care; legislative and community advocacy; support of research; education of pediatric healthcare providers; and support of the chapter's members.

In addition to earning 7.0 CME, by attending this meeting you will;

- Gain insight into recent medical advances
- Greet old friends, meet new friends, and develop a network of colleagues in your area.

To ensure your place at this informative and exciting meeting, please complete the registration form at the back of this brochure and send it in today with your check. New for this year, we will have special early bird pricing.

I look forward to seeing you at our meeting!

Sincerely,

A handwritten signature in black ink, appearing to read 'B Huang', with a large, stylized flourish at the end.

Betsy Huang, MD, FAAP
President, Nevada Chapter of AAP

Saturday, November 4, 2017
