Jasmine.Smith2@hcahealthcare.com by Oct. 31

Objectives

- Identify depression in children.
- Identify the most appropriate treatment modalities for the individual patient.
- Examine antidepressants and how to optimally choose from among them.

Accreditation

HCA Graduate Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit

HCA Graduate Medical Education designates this live activity for a maximum of 1.5 hour in *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Summary

HCA Graduate Medical Education is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Accreditation Requirements and Standards, all parties involved in content development are required to disclose any relevant conflicts of interest relating to the topics of this education activity. HCA Graduate Medical Education has established mechanisms to resolve conflicts of interest should they arise. Any potential conflict of interest will be disclosed to the audience prior to the activity. Members of the planning committee and speaker for this session have no relevant conflicts of interest to disclose.

Commercial Support

Neither HCA Graduate Medical Education nor Southern Hills Hospital has received any commercial support for this activity.
