

TALENT SPOTLIGHT SHOW

Teen & Young Adult Talent Program

Dear Parents,

We are glad to welcome you to participate in the ministry launch of Prepare The Bride Mission.

The Teen & Young Adult Talent Spot Light is planned and will be held on 8/26/17 at Holiday Inn, CA in the Gateway Ball Room beginning at 3:30 – 8:00 pm. Ministry launch, Youth Spotlight Show, food, prizes for youth, audience participation, and music.

We see God reminding us to look for the skills and great ideas that He has invested in our kids – not to overlook or neglect. Many times we simply do not pay **attention to it. Too busy...** **Sometimes these skills and gifts from God have the target impact (God's purpose) to launch our children out into their destiny.**

This talent spotlight program can be a start pointing to get the needed exposure and focus for children to excel in life or to next level of achievement.

Prepare the Bride Mission believes that life is prepared to live finishing lines.

If **we are organized and ready, and understand with clarity the implementation of this God's vision** at tender age, it will have real impact:

- 1) Focus and Attention
- 2) Encourage Responsibilities and Growth
- 3) Major Gift and Talent Identification

We wish you and your child a very awesome experience and discovery in this - and eyes to see how unique and marvelous your child and their skills sets really are. This show is designed to wake up the silent talent spot lights hidden inside of your child or young adult.
