College Outreach Program

Premier Futboltech Development Academy is here to help you reach your goals! Our college outreach program is designed to help give you the best opportunity to be recruited to a college program. We help with direct assistance in identifying your individual needs and helping find the perfect college program for you.

The college recruitment process is difficult and can cause much unwanted stress in your life. We are here to ensure that we can make this process much less stressful, in fact, we are looking to make this process an exciting and meaningful chapter of your life! You are choosing your home for the next four years and we want to give you the most ideal living opportunities to ensure you are living the college life you have always dreamed of.

When choosing PFDA to enhance your recruitment opportunities the only stress you will have is having the luxury of choice of where you wish to spend your collegiate career as a young athlete!
