## **Coaching Education and Development Program**

Premier Futboltech Development Academy are proud to offer a Coaching Education and Development Program designed to help guide you on your journey to becoming the best coach you can be.

PFDA have taken interest in the noticeable number of players who quit youth soccer in the younger – recreational stages of their lives. We thought long and hard about it and realized that nearly all recreational youth coaches are volunteer parents. While we have nothing against volunteer parents we understand and acknowledge the importance of development in the youth stages. Youth developmental ages are the athletes “golden years” where they are capable of developing ball manipulation skills and being slowly guided into what it means to be a part of a team environment. With that said, we would like to offer a coaching educational program to give coaches of all ages a helping hand in bettering themselves as they move forward in coaching their young athletes to reach their maximum potential and most importantly, further develop their love and interest in the beautiful game.

**\*\*\* WE ARE CONFIDENT IN THE DEVELOPMENT OF OUR PFDA COACHING TRAINEES AND WILL SUPPORT THEM BOTH FINANCIALLY AND SERVE AS A DIRECT SUPPORT SERVICE FOR THEM AS THEY MOVE FORWARD IN EARNING THEIR COACHING BADGES ON THEIR JOURNEY TO SUCCESS\*\*\***

**IMPORTANT NOTICE:** Our Program is in no way affiliated with USSF or NSCAA – And you will not receive accredited coaching certificates for participating in our program!
