We have travel representatives in the United States and the United Kingdom and are interested in establishing more partnership with other established tour companies around the world.

ABOUT BHUTAN

Bhutan is a tiny Himalayan Kingdom in South East Asia. Located at the latitude and longitude of 27 degree 30' North, and 90 degree 30' East. It's located at the center of China in the north and India in the south, the country ended its policy of self-imposed isolation in 1970's by allowing foreign visitors to explore the untouched Kingdom for the first time. It is referred by many as the Last Shangrila or the nation that conceived the unparalleled development philosophy of GROSS NATIONAL HAPPINESS. We are also the last surviving nation where Tantric Buddhism is still vibrantly practiced. The legends of the flying tigress, burning lake and divine mad-
