

Are you looking for a way to **grow** in your relationship with God and others?

Come and grow spiritually with us by joining or leading a small group

Connect & Grow

We need YOU:

As you read through this guide, you will see that there are some sections that do not contain group, service, support and training information. What does that mean to you? It means opportunity lies ahead!

None of this is possible without God and you. Leadership and membership is not a one person position. Success occurs when a team of people come together with enthusiasm and vision.

Are you willing to accept the challenge of becoming a leader, co-leader, or maybe you have some great ideas on how to take an existing effort and make it even better.

- ◆ No experience is necessary, just bring your love of God and the church
- ◆ Training will be scheduled in the near future as demand requires

Thank you for caring about our church, pastor, members, and our community.
