- Currently we are only accepting patients in need of emergent dental care.
- Patients must provide proof of residency and income before any services are rendered.
- There is NO out-of-pocket cost to an eligible patient.
- The WODA program refers out to local dental providers that have agreed to complete treatment on patients in their own office.
- Back to School ~ KIDS ONLY ~ Free Dental Day 7/22 – email us for volunteer/donation/more information.
