KAREN'S KORNER

Spring seems to be here at last, or is this our summer? The forecast says its BBQ weather this weekend—we will see!

A couple of photos from mine and Steven's travels in

France—we mixed with the glitterati on the cote d'azur. Not cheap there, but not as expensive as we'd been led to believe.

We drove up to the champagne

region of France, Emperney to be exact, and stayed on the Avenue de Champagne (see right) Moët & Chandon House was virtually opposite our apartment. There was a very interesting tour of the cellars and the 'piece de resistance' was a

tasting of their latest Vintage 2008.

Those bubbles DO go straight to your head!

Consumer Alerts

Lancashire County Council has issued warnings of different scams that have been reported in the county.

1. **Beware of claims of "working on behalf of the Council". Some residents are being cold-called and offered cavity wall insulation with an explanation that the resident should have received a letter from the Council. No such letters exist.**
2. **In one area of the county roofers have offered to repair a loose ridge tile but the work extended to replacing alleged rotten felting and battens, work which was overpriced & shoddy. L.C.C.'s advice is not to agree to cold callers carrying out property repairs. The Safetrader scheme can help you find a local trader, telephone number **0303 333 1111** or visit the website on www.safetrader.org.uk.**
3. **Beware a telesales call claiming to be from one of the well-known UK telecommunications service providers stating they can provide a Telephone Preference Service. They claim that only a one off payment is needed, but householders find a direct debt has been set up without their knowledge. It is free to sign up to the Telephone Preference Service by contacting **0345 070 0707**.**

Trading Standards Service can be contacted via the Citizens Advice Consumer Helpline on **03454 04 05 06.**

A VISIT FROM TEACUP!

Louise brought her Nan's little dog, Teacup, into Kepplegate to say hello to some of our residents.

June & Derek were smitten!

LOUNGE RE-DECORATION

Thank you for your patience when the lounge was being painted and papered; hope you agree it looks very nice and fresh.

There's just the floor to be levelled and the new carpeting to go down, then the curtains can go back up and "job's a good'un" as they say!

Let's talk

Our friendly raffle ticket printer isn't known for his accurate estimate of delivery dates, but the latest is that they should be here any day!
