Dear Connections Parents and Staff;

The board of Connections Education Center is excited to welcome both our new and returning parents to the upcoming 2019-2020 school year.

Parents are essential to our success at Connections. We look to you to support our teachers by volunteering your valuable time to help us meet the needs of the school; commitment to volunteer 40 hours over the 10 month school year. These 4 hours a month make a huge difference for your child and the school!

In return, we are committed to provide you and your child with a stable and experienced staff; an individual curriculum that meets your child's needs; a low student/teacher ratio; a fine arts program that includes art and music; and a health and wellness program which includes nutrition classes, independent living skills, swimming, a sports program, and golf. This is in addition to the gratification you will feel by knowing you are making a difference at your child's school.

In addition to parent volunteers, school fundraising (through our SAC/PTO) and grant writing are critical to maintaining our budget. There are many extra activities that are not covered by the funds we receive from the school district. Last year we \$90,000 was raised through the combined efforts of parents and staff. This year our goal is to reach higher and surpass this number. It will take us all to do it!

The CECPB Board of Directors is the governing body of this charter school. Board members are responsible for overseeing the activities of the school that include budget, operating policies, and managing disputes or conflicts. The board meets monthly to discuss and vote on the affairs of the school. If you have any questions or concerns regarding the CECPB Board of Directors, please do not hesitate to contact our Parent Representative, Orlando Ortiz.

I would like to take this opportunity to invite all of you to our monthly board meetings. Attendance at these meetings is an excellent opportunity to learn more about your child's school. Parents can apply these hours to their volunteer commitment but we are unable to offer babysitting for these meetings.

Currently, the majority of meetings take place at the offices of Padula, Bennardo, Levine, LLP, NW Boca Raton Blvd, #200, Boca Raton, FL. 33431 at 9:00 am. However, we will have three meetings at the school in the evening. Please mark your calendar for the following dates:
