The Holiday Run Series...

For us, it's about the children. As of May 2017, there were 1,180 homeless students in Henry County, not including children under 5 or their parents. Get Set Grow, Henry County Schools and The Dream Center of Henry County have partnered to make a difference during the holiday.

Let's eat...but first

We may not end hunger, but we can make a powerful difference by feeding some. The Turkey Trot's focus is on feeding the hungry children of Henry County Schools. You can help by donating \$25 gift cards from local grocers. The cards will be collected and distributed through the Social Workers of Henry County Schools.
