 STUDENT REPORTER**

On January 18, 2019, several of our FFA students participated in the county stock show. Unsurprisingly enough, they all did well and are happy to have had the opportunity to be a part of the stock show.

There were a total of 9 FFA members who partook the county stock show this year, Makenzie Miller, Sage Deeds, Cody Kelley,

Lindsey Monroe, Dally Minkley, Dawson Gleaves, Nathan Hatfield, Hayley McLaughlin, and Jade Edwards.

Makenzie Miller got reserve breed champion with her pigs and 2nd place with her steers. “I was happy about it because when we first got our pigs they were completely different and we ended up winning a class. As for the steers, it’s always fun showing them and I enjoy every moment

of it. It’s really good practice for both the animals and the individual,” says Makenzie. Makenzie looks forward to her future in stock show and FFA and is very happy with this year’s results so far.

Like Makenzie, Sage Deeds also got breed champion with her pigs and reserve grand champion and also got senior showmanship. Sage got two first places and one third place in total. Sage

feels blessed for being able to show her pigs this year and is very pleased with her results.

Cody Kelley got fourth in his weight class with his pig, Nathan Hatfield got third in his class and Dally Minkley got second in other pure breeds. “I am very happy that I got second because it was a very hard class with a lot of great pigs,” states Dally.

Senior Lindsey Monroe got grand champion

lamb. “Showing has always been a big part of my life! I have made so many friends and so many more memories! I could not have asked for a better way to end my last county show. Grand champion is always the goal and I was blessed enough to have gotten it my last year!”, claims Lindsey.

Jade Edwards, which is also a senior, got two second places and two thirds with her pigs. “Stock

show is my favorite hobby. I started in third grade and fell in love with it. It has definitely taught me many things. I will miss it, but I have years of memories to last me a lifetime,” says Jade.

Dawson Gleaves, along with Jade and Lindsey, is also a senior. The difference however, is that this was Dawson’s first year showing and he got first in his light weight

class. “Stock show went well but I’d like to see more participation. Winning was a good way to end my short-lived stock show career.” states Dawson.

Last but not least, Hayley McLaughlin is an 8th grader who’s first year was also this year. She got reserve breed champion, second in her ham class and first in her cross class. “It felt really good since it was my first year. I look forward to showing in the future and bettering myself every year!” says Hayley.

So overall, all of our FFA stock show participants did very well this year at the county stock show and most look forward to future shows. Everyone from community supporters to teachers and parents are proud and pleased with the efforts of the these students because preparing for stock show isn’t always the easiest thing. STUDENT REPORTERS

The Claude Lady Mustangs defeated two green teams, Hedley and Shamrock. These two victories helped the varsity girls to better their chances at making it to the playoffs.

At the Claude gym, on January 22, 2019, the Lady Stangs took on the Hedley Owls. By the sound of the final buzzer, Claude secured a victory. The final score was 71 points to 24 points.

Junior Spencer Craft enjoys watching the Lady Mustangs. "I love to watch the girls play. They always compete to the best of their abilities. I especially enjoy

getting to watch my girlfriend Shiloh!"

On January 25th, Claude travelled to Shamrock to fight the Irish. The game was rough at the start, but the Lady 'Stangs cracked down and scored several necessary baskets.

Sophomore Lanie Stapp was the leading scorer with twenty-five points. Shiloh Heck was the second leading scorer with twenty-three points. The score at the end of the first quarter was 14-8 in Claude's favor. At halftime, 28-15 was on the scoreboard, still in the Mustangs' favor. Third quarter strengthened Claude's lead; the score was 39-23. During the fourth quarter, the Lady Mustangs, especially Stapp, buckled down on the baskets, leading to a final game score of 62 points to 30 points.

The Claude varsity basketball girls are looking to make it to the playoffs as they close their district season. Make sure to come support them on this journey.

Addressing Chronic Pain Amidst a National Opioid Crisis

(StatePoint) Chronic pain is among the most prevalent and debilitating medical conditions in the U.S. and opioids are the most commonly prescribed class of medications that are frequently relied on for the management of chronic pain. The

high risk for dependence on these drugs and their frequent abuse has results in a national epidemic.

Spinal cord stimulation (SCS) is a proven, non-addictive, FDA-approved therapy available to help patients manage chronic pain. To learn

more about SCS, visit www.ControlYourPain.com.

Awareness of drug-free treatment alternatives for chronic pain management is more important than ever.
