

# Claude EMS Hosts Opening of New Station

BY CAMEY GRAVLEY

**T**hursday, March 7th, 2019 marked the grand opening and ribbon cutting ceremony for the New EMS Station in Claude, TX, in Armstrong County. Special guests and members of the community were invited to a free hamburger meal prepared by Jerry Howell, Bobby Grant and other EMS personnel.

People poured into the new station and were able to explore the many rooms that are designed for specific purposes necessary for today EMS and the future. Rooms are set up for training, debriefing, laundry, kitchen for meal prep and serving, eating, sleeping and for meetings. When asked what the benefits of having this new building are, Shay Hand, member of the EMS said, "Many. Just as in the case of the house fire last week. Even though the building wasn't completely finished, resources were able

*Hundreds of Armstrong County residents attended the EMS Grand Opening and Ribbon Cutting at the new EMS station. photo by Camey Gravley*

to come here, debrief, rest, and eat.

If you want to keep up morale – this type of place is critical." When asked what her favorite things are about working for the EMS, Shay said, "All the people. People I work with." When it came to responding on pros and cons, she laughed when answering, "It's your community. And, well, it's your community." That sentiment was shared by several others interviewed but requested to not be quoted.

As the ceremony began, Bill Wood, Mayor of Claude, gave some of the history of the EMS and

thanked those who have made it possible over the years and currently. He also shared that we have a new \$186,000.00 ambulance and have been in the black for 9 and ½ months! The crowd applauded and cheered. Howard Heath, EMS Director, continued the ceremony by saying, "It takes an army. We have an army. This is a facility not just for today but to come." Howard gave an emotional dedication speech and then asked for members of the Goodin family to come join the Chamber of Commerce, EMS personnel, and city officials available to participate in the ribbon

*Tessa Waddell, President of Claude Chamber of Commerce, presented an official recognition to EMS Director, Howard Heath, during the Grand Opening and Ribbon Cutting Ceremony at the new Claude EMS station on March 7th. photo by Camey Gravley*

cutting. Tessa Morrow, co-owner of The Burrow and Chamber member, asked for a show of hands of those that had personally been serviced by the EMS during a time of need at the request of a Goodin family member. Many hands were raised including hers and mine. She shared how we as a community need to keep our EMS & Fire personnel in prayers especially as they deal with all the

things they see while serving our community.

Tessa Waddell, owner of FarmGirl Frosting and Chamber member presented the plaque from the Chamber and the ribbon was cut! Howard Heath said that between 200 and 225 people were served and a part of the grand opening. It is also reported that \$416.00 were donated during the event even though donations were not

requested as a part of it. While the grand opening was definitely a success, several were missing from it due to resources already been deployed out before it began. If you were unable to attend, please feel free to stop by! We are grateful for all those that give of their time and dedication because they love our community and those that live here or come through it.

# Mustangs Making a Difference

SUBMITTED BY CLAUDE ISD

Mustangs Making a Difference Community Service Days are coming soon! Service days for April and May are to be determined.

Engaging in community service provides students with the opportunity to become active members of their community and have a lasting, positive impact on society. Community service and volunteerism enables students to acquire life skills and

knowledge, as well as provide a service to those who need it most.

If you have suggestions as to how our Mustangs can help make a difference in our community, please contact the Claude High School Office at 806-226-2191.

“Only a life lived in the service of others is worth living,” Albert Einstein.

## Armstrong County 4H GERANIUM SALES

Armstrong County 4-H Geranium Sales are here! Orders due April 1st!

Orders can be made by stopping by our office on the 2nd floor of the Courthouse

or through any of our 4-H Members.

# From the Mayor's Desk: A Note from Bill Wood

The Claude City Council met on March 11, 2019 at 5:00 p.m. for their regular monthly meeting. Those present were: Bill Wood, Mayor; Howard Heath, City Secretary; and councilman: Twila Baldwin, Dan Parks, Jay Morris, Jim Cabbell, and Joe Minkley. Others present were Superintendent Wade Miller, Assistant Secretary Clarissa Woodcook, and guests Shay Hand and Lori Baggett.

The meeting began with an invocation given by Mayor Wood. The budget hearing for the FY2019 was started at 5:33 p.m. Minutes and due bills were reviewed and passed on a motion by J. Morris and seconded by T. Baldwin. There was no public comment. Reports and discussion were given by City Secretary

Heath concerning the upcoming clean up Month for Claude which will be held in May this year. He also expressed how great the Open House for the EMS went and reported that nearly 250 people got to enjoy the hamburgers and hotdogs. Howard also expressed how thankful he was to all of the people being honored for attending the event. T. Baldwin gave an update to our "Welcome to Claude" sign. The letters have been cut and are being powder coated and the lights are being installed. J. Minkley reported on the Park Committee progress toward playground equipment. Also the latest things that the EDC have completed and the new adventures they are looking at working on. W. Miller reported on the new wells and future projects for the

city.

There was no old business. Under new business it was announced that the city of Claude was named as a Superior Water System PWS ID# 00060001, and we will put up signs as you enter our town stating this accomplishment. We would like to recognize Wade Miller, Clint Douglas, and Ben Bichsel for this accomplishment with our water and for everything they do for our city. We held a meeting with TXDOT on March 6, 2019 concerning a stoplight for our city. We were once again turned down.

The council also discussed the request from the Claude Softball Association regarding water at their two softball fields. No action was taken and it was tabled. No action was taken concerning the

swimming pool and the city is still taking applications. Discussion was had regarding the rates for the use of City equipment, and upon a motion by D. Parks and second by J. Morris, the rates were adopted as presented. The new rates will go into effect on April 1, 2019 and will be published at City Hall.

Resolution Number 340 was presented to the City Council to order the cancellation of the election for May 9, 2019 due to no candidate opposition. This resolution will be placed at City Hall until the election

time has passed. A motion was made by D. Parks and seconded by T. Baldwin to adopt this resolution. Motion carried with 5 ayes. On a motion by T. Baldwin and second by J. Cabbell, it was approved to add Chryssa Woodcook, Assistant Secretary to the signature card at the bank. There was no action taken on the agenda item concerning water rate increases.

Discussion was held regarding the FY2019 budget and capital expenditure projects for the upcoming year. Following this discussion the budget hearing

was closed at 7:30 p.m. On a motion by J. Minkley and second by J. Morris the Budget for FY2019 was approved with 5 ayes. The meeting was adjourned at 7:37 p.m.

I was going through old newspaper articles and past council minutes and found several interesting things. April 29, 1993 Mayor Al Goodin was investigating getting a stoplight or flashing lights in Claude. This project was rejected in June of 1993. July 22, 1993 the Mayor was having to address ambulance issues. In January 2007 Bill Wood was appointed temporary Director of Ambulance Service. June of 1998 Mayor Leon James heard from Senator Haywood that he was continuing to push for a stoplight at 207/287. In December 2001, upon motion by Ben Ballard it was ordered to pay Armstrong County \$1 for the title on the swimming pool and property. The motion did not pass, but later the sale was completed. Time passes and yet many things keep coming back, and we continue to push for answers.

I would like to thank each of you for continuing to push Claude in a positive direction. Remember if things get too difficult, these is a new ice cream parlor in town.

*Bill Wood*, Mayor

**WE LOVE RETURNING MONEY TO OUR CUSTOMERS**

At Plains Land Bank, our customers share in our ownership and earnings, an advantage of doing business with a co-op. Based on our strong 2018 financial results, our board of directors is pleased to declare a **record \$8.2 million** in patronage. Our member-owners will receive their patronage checks in early April.

Payments like this one lower our members' effective interest rate, thus reducing their cost of borrowing.

If you need financing for your farm, ranch or rural property, come to Plains Land Bank and reap the benefits of our rural lending expertise and cooperative structure.

## Athlete OF THE Week

### JADE EDWARDS

Jade has been on a roll this season. She missed a majority of last season due to injury but she's making up for it this year. Through nine games, Jade's average is .727 at the plate with 8 RBI's and is leading the team with 12 stolen bases. Jade is

a leader on the team and she's not afraid to keep her teammates honest. Her work ethic and attitude are tremendous and that will translate into great things on and off the field.

# Softball Plays Hard

BY ALYSSA HIGGS  
STUDENT REPORTER

The Claude softball team is currently in the middle of their district season. They play many 2A schools if they aren't playing their 1A district opponents. Recently, the Lady 'Stangs competed against two 2A division schools.

On Friday, March 8, 2019, the softball team played West Texas High. They travelled to Stinnett and played a rough game. Claude lost 17-0.

However, the Lady Mustangs pulled their own in the next game. They

played at Memphis on Monday the 11th. Claude fell short with the game ending 21-7 in the Cyclones' favor.

Amber Hand scored twice. Jade Edwards, Millie Graham, McKay Wilkerson, Jasmyn Hernandez, and Angelina Stanghellini all completed one run.

Junior Millie Graham pitched a ratio of 48 strikes per 133 pitches. She had three strikeouts.

The Claude Lady Stangs will continue their district season. They are hoping to prosper and advance to the playoffs.

## Bills Aim to Bring High-Speed Internet to Rural Texas

AUSTIN, Texas – State lawmakers have filed bills to help bring high-speed internet to rural Texas.

Senator Charles Perry (R-Lubbock) and Reps. Charles "Doc" Anderson (R-Waco) and Four Price (R-Amarillo) have sponsored bills that seek to improve broadband access in areas of Texas that are currently underserved. Broadband refers to high-speed internet access that is always on and is faster than a dial-up connection. It includes technologies like Digital Subscriber Line (DSL) and cable modem.

While broadband access is a problem in many places, the sparseness of rural communities often creates an extra barrier for consumer access. In many parts of rural Texas, residents often pay higher prices for lower quality service, if they can get broadband at all.

AARP Texas, a nonprofit and nonpartisan advocacy association for older persons, and Glasshouse Policy, a Texas-based nonprofit, support the measures, which were filed this week. The bills are: Senate Bills 1103 and 1104 by Senator Perry, House Bills 2422 and 2423 by Representative Anderson, and House Bill 1960 by Representative Price.

"These broadband-access proposals offer a solution to a real problem facing many rural Texans," said AARP Texas Director Bob Jackson. "Access to broadband can help older Americans live independently in their homes and communities. It also combats social isolation and improves well-being by supporting services like distance learning and telehealth."

SB 1103 and HB 2423 create a broadband office within the Public Utility Commission of Texas that would provide grants to public or private entities for projects that stimulate the installation and maintenance of broadband in rural areas. The bills also authorize the PUC to set statewide goals for broadband deployment, coordinate various local and state governmental efforts, act as an information clearinghouse on the issues, and be empowered to seek federal funding.

SB 1104 and HB 2422 would encourage deployment of broadband conduit, such as fiber-optic cables, on state-owned land and in state buildings. Meanwhile, HB 1960 creates a 15-member Broadband Council to advise the Legislature on steps needed to improve access in rural areas.

# Senior Spotlight

This week The Claude News shines the Senior Spotlight on Kaylee Jackson. Kaylee and her family have lived in Claude for the past 11 years. Kaylee loves basketball, Ag class, Mrs. Holland, steak and the color orange. Her favorite book is "The Outsiders" by S.E. Hinton.

After graduating Kaylee is planning on attending college to become an occupational therapist. While at school, Kaylee has been involved in FFA and Lady 'Stangs Basketball. When ask what her favorite memory of school is, she claimed she "has too many!" In her free time Kaylee likes to hang out with her friends. She feels that the most unique thing about her is that she "has the ability to work with special education kids."

Kaylee states her aunt, Bridget Hogan, as her role model. "She is my role model because she has accomplished so many goals that I hope to accomplish." According to Kaylee, the best thing about living in Claude is "being in a small town and being close to everyone." Someday, Kaylee hopes to visit Europe. Kaylee is an outstanding young lady. She is a hard worker and will accomplish whatever she puts her mind too.
