

# Oak Harbor Marina

March 1, 2018

## Basic Boating Class

The Deception Pass Sail & Power Squadron in partnership with the Oak Harbor Yacht Club will be offering a Basic Boating class. Successful completion of the course will qualify individuals for the Washington State Boater Education Card now required for most boaters.

*This is the only basic class being offered this spring.*

This two-day introductory boating class will be held at Saint Stephens Episcopal Church and is scheduled for April 7 & 14. The classes will go from 9:00 - 3:00 each day. A light lunch will be provided to students on both days.

The cost of the class is \$55.00 and if your spouse or partner wants to share material it is an additional \$20.00

Some of the topics covered are:

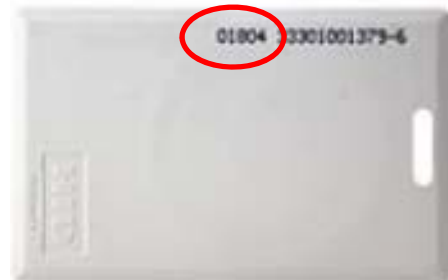

- Docking
- Boat Operation
- Coast Guard Regulations
- Navigation
- On Water Training

Please contact Pat Waters at [frenchsailor@comcast.net](mailto:frenchsailor@comcast.net) to make your reservation no later than April 2<sup>nd</sup>.

## Gate Cards

We recently had a “glitch” in our marina gate card program and need to rebuild the card database. We have begun this process but need your help.

Will you please stop by the office or email Stephanie ([slee@oakharbor.org](mailto:slee@oakharbor.org)), your card number so that we can ensure that it has been reentered correctly? The card number is the shorter set of numbers in the center of your card.

The red circle shows where the card number is located.

Please rest assured in knowing that the security of the marina has not been compromised and that the gates are locked and only opening if a registered card is swiped.

If you have any questions or concerns please stop by the office.

## Dock Clutter

As we prepare for the busy boating season we have noticed that many of the dock walkways, dock fingers and F dock patios are cluttered with “stuff.” This stuff ranges from dinghies and barbeques to bikes and plants. Although this may not seem like a big deal to you, it may present an access hazard to your neighbor, the public walking the docks and emergency personnel.

Just as a reminder, nothing is to be stored on the dock walkways, dock fingers and F dock patios. Please be a good neighbor and store all of your “stuff” on your boat.

## Reserved Parking Spot

The winner of this month's parking space drawing is Jeff Malmgren. Mr. Malmgren will get the use of the parking space until April 1st. If you would like to enter the drawing please come by the office and fill out a registration slip.

The names of people not drawn will be left in the drawing box for next month.

## Quiz

The length of a line which is required to be attached to a ring life buoy must be at least \_\_\_\_\_:

1. 30 feet
2. 60 feet
3. 90 feet
4. 120 feet

*The answer to last month's quiz: The United States Coast Guard (USCG) has established specific safety items that must be on board every recreational boat, such as having a life preserver (jacket/vest) for every passenger. Which of the items listed below is usually NOT required? #4, Compass and map*

## CALENDAR OF EVENTS

**March 5<sup>th</sup>:** Marina Advisory Committee Meeting  
7:00pm @ City Hall.

**April 7<sup>th</sup> & 14<sup>th</sup>:** Basic Boating Class 9:00-3:00
