

Marina

April 1, 2018

To Our F & G dock Customers

The winter moorage contracts end April 30th. If you plan on staying after the contract ends you will fall under the month to month contract/conditional moorage rules. If you are planning on leaving please remember that we require a 30 day notice of termination. Please inform the marina office of what your plans are after April 30th.

Conditional moorage means you have mandatory dates you will have to vacate the slip. In accordance with this conditional moorage contract, this letter informs you of the dates that you will be required to move in order to accommodate visiting boaters.

- Whidbey Island Race Week: July 17th - Vacate by noon
 - Both F and G docks July 23rd - Return after noon

- Labor Day Weekend: Aug. 31st - Vacate by noon
 - F dock only Sept. 4th - Return after noon

- Hydroplanes: Sept. 14th - Vacate by noon
 - F dock only Sept. 17th - Return after noon

We understand that to remove your boat from the marina for these events is sometimes an inconvenience. We greatly appreciate your cooperation in this matter, so that we can accommodate as many boaters as possible.

Thank you for your continued patronage.
