

Summer 2019

To Our F & G dock Customers

The winter moorage contracts end April 30th. If you plan on staying after the contract ends you will fall under the month to month contract/conditional moorage rules. If you are planning on leaving please remember that we require a 30 day notice of termination. Please inform the marina office of what your plans are after April 30th.

Conditional moorage means you have mandatory dates you will have to vacate the slip. In accordance with this conditional moorage contract, this letter informs you of the dates that you will be required to move in order to accommodate visiting boaters.

- 4th of July Weekend July 3rd - Vacate by noon
 F Dock only July 7th - Return after noon
- Whidbey Island Race Week: July 21nd - Vacate by noon
 Both F and G docks July 28nd - Return after noon
- Hydroplanes: Aug. 23rd - Vacate by noon
 F dock only Aug. 26th - Return after noon
- Labor Day Weekend: Aug. 30th - Vacate by noon
 F dock only Sept. 2nd - Return after noon

We understand that to remove your boat from the marina for these events is sometimes an inconvenience. We greatly appreciate your cooperation in this matter, so that we can accommodate as many boaters as possible.

Thank you for your continued patronage.
