EXTENDED DAY PROGRAM

“Rooted and built up in Him.”

THE EXTENDED DAY

Due to parent work schedules and transportation issues, there is often a need for students to arrive early to school or stay a little longer. In an effort to accommodate our families, CVCS offers before and after school care at a minimal cost.

During the extended day hours, students will be encouraged to complete homework, but other activities will also be available. There will be NO formal instruction during this time, but simple "homework help" is available. In addition, students may play games, read books, work on the computer, draw, write, and have a snack from home.

EXTENDED DAY HOURS

Parents can choose to take advantage of the extended day on a regular basis or just when needed. Those wishing to take advantage of extended care on a regular basis should notify the school office at the beginning of the school year or as soon as the service is needed.

Parents needing occasional after school care should contact the school office at least 2 hours in advance *if possible*.

Extended day opens at 7:15 a.m. in the morning and remains open until 5:30 p.m. in the evening.

CVCS reserves the right to alter or cancel this program.

EXTENDED DAY COST

- Payment is due on the 15th day of the month for services rendered the previous month.
- The cost of before or after school care is \$5.00 per hour for the first hour or part of an hour and \$3.00 for the second hour or part thereof. Deduct \$1.00/hour for additional children in the same family.
