

VENUE SPONSORSHIP

Want to Attract New Customers to Your Venue?

Our Social Networking Mixers provides the opportunity for our community of professionals from a variety of industry professions to step out after a long day of work to unwind, meet new people, get reacquainted with others while talking business and building new business opportunities in a relaxed atmosphere.

These events typically take place on a Tuesday, Wednesday or Thursday for approx. 2 hours between 5:30 pm and 8:00 pm. WNFP offers business professionals the opportunity to build brand visibility through Social Networking Mixers.
