Congratulations 2017 Wild Card

Shiny Elsa

Lot 38- A friendly, cute and smart blue roan filly from Wetz Stirrup Ranch. "Elsa" was a combination of their 3 stallions. Eligible for the AQHA Heritage Futurities. Final bid on this gorgeous fill was \$3500 and was sold to Zach Sobba from Richmond, KS.

Wildcard

We are pleased to announce the Sugar Bars Legacy Sale "Wildcard." The first horse sold in the sale will be a "wildcard." The winning bidder for the "wildcard" lot will have his/her choice of any weanling in the sale.

With no colt in the ring, the auctioneer will ask for bids on the "wildcard". It will be auctioned in the same manner as every other foal in the sale, with the exception of the fact that, no one will know until the bidding is over and the winning bidder chooses his/her foal, which horse has actually been sold.

That foal must be claimed immediately on winning the bid – and then will be removed from the catalog order. The sale will resume with the remainder of the consigned foals in catalog order.

We did a double take when this guy arrived. He was born a gorgeous dark chestnut with all four legs having stocking's/socks. He's now shedding off gray like his momma and is a real eye catcher. He has a big hip and moves out smooth. His sire is a Sugar Bars and Queen's Dividend bred stallion; speed and cowhorse. He always passes on a long deep hip, heavy bone and speed to his babies. "Pistol's dam is a Doc Bar, Poco Bueno, Blackburn and Super One bred mare; that is a gorgeous steel gray. Woodworth Ranch colts are eligible for the Ranching Heritage Challenges.

This nice colt is out of one of my best producing mares, a daughter of Showdown Zee. She herself was a Futurity winner as a yearling, and has produced numerous AQHA point earning colts and Futurity winners. She is the grand dam to lot #24 out of Cool Shotta Sheri, who is an AQHA point earner, Grand Champion and Futurity winner herself. Showdown Sheri is huge success in the show ring and even more so as a broodmare, so owning one of her foals is going to be a feather in your cap, not to mention will bring home some futurity money next year for his new owner! He is by our good stud Touchdown Par Tee, he has a full sister in the halter futurity this year, let's hope she proves me right! This colt has a super sweet disposition, he would make a really great youth prospect. He has a Coggins, but his HYPP results are pending.

He has been my pick of the colts since the day he was born. It is exciting to see this Sugar Bars Tough mare as a mama. Toughy was a Red Dun son of the late great Sonny Sugar- a son of Sugar Bars and out of a double bred Tough Bar mare. He's curious, thick muscled, with strong feet/legs and a cute little head. He will do well in the performance arena or on the ranch. Don't over look him- "Chex" is true red dun with a bright red dorsal down his back and transversal stripes on withers and neck. Wow, What a friendly red dun. I would love to keep him but I just do not have the time for him. He's the first one in the pasture to meet and doesn't have a mean bone in his body. My 5 year old daughter leads him around. He has been hauled to local rodeo events. He loads in and out of a trailer with out any problems. He's a fast learner. He has been over tarps, bridges, pool noodles anything that you can throw at him and he doesn't loose his mind. He's good with his feet. UTD on his shots and worming. Tough Sugar Sue is an attractive looking, powerful built, 5 year old gelding that stands around 15.1 hands. I have ridden "Toughy" this summer in very rough BLM country and in the Big Horn Mountains. "Toughy" will cross rapidly flowing creeks and can handle unexpected wildlife, without incident. I have snubbed and flagged colts off of him. "Toughy" will work gates and tolerates rain slickers and plastic tarps. This nice gelding is very athletic, has plenty of speed, and comes from a long line of outstanding arena and using type horses. He has never one time been cinchy, tight, or offered to buck with me. "Toughy" is ready to finish as a ranch or trail horse, or is a real prospect to make a heading horse out of, with all the hard work already completed.

Paisley is a nice solid mare with eye appeal, color and good bone & feet - with alot of heart. She travels nicely - with a natural level head and a smooth gait that isn't lofty. Her paternal grandsire, Cook N Oak was a multiple working cow & reining Champion. The Profit Power offspring are tremendous rope, ranch and barrel horses. She has a good mind and has the size, bone & substance to go all day. She was started the right way and has 7 months training - nicely started out of the box and is barrel patterned. She's quick, picks up her leads easily and is very level headed. Easy to catch, shoe, clip and load! Comes to the sale shod. UTD on worming & shots. Please visit us at www.haightranch.com for photos & info. Coggins tested. USA Vet. inspected. Suitability: rope horse, barrel horse, arena horse, family/4H, ranch horse.

I bought Mater at the 2014 SBLs as a weanling colt. First, he was picked with his kind and loving disposition, the same kind willing disposition he has today! Mater was shown at the AQHA Ranching Heritage Challenge show in June of 2017 in Rapid City, SD. He was also shown in the youth division by Kai Bank's 15 year old and placed 3rd, qualifying for the world show in Oklahoma City! That is just what kind of horse Mater is! He is very cowy and has been roped on outside, drug calves to the fire, and started heeling in the arena! Don't let his age of 4 years old fool you, he is very very broke to ride. 605-488-0053

If you like to ride a horse that can get the job done and looks good doing it, "Connor" might be a good fit for you. Just under 14.3 hands, 7 years old and solid build with very nice conformation, this pretty palomino gelding is gentle and has been ridden by everyone from 6-year-olds to seasoned ranch hands. Connor can be a ranch horse deluxe that your neighbors are jealous of, or an arena prospect. He's been mostly used as a ranch horse the past few months, sorting pairs, brandings, doctoring yearlings, etc. Also used in the feedlot. Connor is more than just pretty-we've discovered he has plenty of cow-sense and speed. Followed the hot heels on both ends and was started in both barrels and poles by a previous owner. Knows his leads, side passes, very smooth at all gaits with a nice stride. Please contact us for more information and videos. 605-569-1915

Jack is a 5 year old gelding that stands 15.1 hands and weighs 1,200 pounds. We started Jack when he was three. Jack doesn't get rode as much as he should, but when we saddle him up to ride again he will ride off the same. We have just started tracking cattle in the arena and roping the hot heels on him and seems to watch a cow. Jack will pick up both leads, moves off of your leg, and really gets under himself to stop. Now this is a horse with a lot of potential, Roping, Ranching or more. Her mom is a mover and a shaker, that loves cows, not a mean bone in her body, so she should have passed that on to Dixie. Deuce is 14.3 and sturdy built. He has points in working cow and money earned. He's easy to handle whether it be shoeing, clipping, worming or vaccinations. This horse has character and is gentle and broke. We have shown him in reining, working cow, cutting, ranch riding. He was mostly used by us for team roping, heeling in particular. We also ranched on him. In fact he is one of my favorites to ride in pasture.

"Bullseye" is one cool guy! He has been used in all aspects of ranching (branding, doctoring, sorting etc.) but is gentle enough that the whole family can ride. He will never take a bad step. "Bullseye" has been used on a large ranch near Lusk, WY and has covered a lot of country. You can saddle him up after 6 months and ride off just the same. He is an absolute gentleman and is willing to please. You can saddle him up to go get a job done, or you can saddle him for one of the kids to ride along. He is so versatile and would make a great horse for anyone. You can see more of what "Bullseye" can do here: <https://youtu.be/Mp-DI8NDEFg>. We apologize for the video being somewhat lengthy, but we wanted you to be able to see what all this guy can do. He truly is one of a kind!

Here is a gelding that stands 15' and weighs 1200 pounds. We have sorted pairs, drug calves to the fire, and done anything you need to do horseback. This horse may be just 4 years old, but he rides like a ten year old. He is nicely started heading. This gelding will saddle up with no hump everyday. This horse is one of the best young horses I have ever ridden.

Oakley has been used in all aspects of ranch work. He has been used to doctor yearlings outside, drug calves at many brandings, is very cowy and has been ridden in big country. He is a gentle horse that is quick, athletic, has a lot of heart and can go all day. He is easy to catch, shoe, gets along well with other horses, has never bucked and is UTD on worming and shots. SJ is a 12 year old bay roan with a good handle. We got SJ from our neighbor who is an older gentlemen. We have drug calves to the fire on him and sorted at the gate. SJ also had a year of cutting, a year of reining, and 9 months of working cow horse training on him in his younger years. He is easy to catch and is 14.75 hands.
