September 2025 brings our 23rd Annual Sugar Bars Legacy Sale in beautiful and historic Sheridan, Wyoming. Frontier Live Sale will be broadcasting our sale LIVE, again this year. We hope this will benefit all those that cannot attend the sale in person. Registration information will be listed in the catalog; along with a link on our website and Facebook page, for those wanting to bid online. We thank and welcome all our buyers, consigners, staff, and friends that have made our sale possible. The sale was established to preserve the bloodlines of the late American Quarter Horse stallion, Sugar Bars. As with tradition, the Sugar Bars Legacy Sale Association will be hosting the sale this year; and it includes an incredible variety of outstanding Sugar Bars bred horses- meeting the needs of those interested in halter, performance, ranch, recreation, or those looking to take home a well-bred broodmare.

SUNDAY, September 21st- SALE Day! The sale begins with the selection of the WILD CARD weanling; and will then proceed in catalog order! We have limited the number of weanlings and yearlings this year, so make sure you come early and be ready to bid. The lineup of riding horses includes young ones just started; to the well started performance prospect, the all-around ranch horse, finished- arena, trail, and family horses. A select group of Sugar Bars bred saddle horses will sell early among the weanlings/ yearlings—we will announce lot numbers early on sale day!

Our weekend of events will start off on SATURDAY, September 20th with the Yearling Halter Futurity and Ranch Horse Versatility Futurity for 2- & 3-Year old's. All weanlings sold at the 2024 sale are eligible to compete in the Yearling Futurity. To compete in the ranch horse versatility your horse must have sold in 2022 or 2023 as a weanling or as a yearling in 2023 or 2024 through our sale (eligibility transfers with horse).

We invite everyone to check out our website- www.sugarbarslegacysale.com for updated pictures, videos, and additional information. For you FACEBOOK fans, search for Sugar Bars Legacy Sale and make sure you become a FAN; we will post weekly updates!

We are looking forward to seeing everyone and please contact any of the members if you have questions. Thank you for "helping preserve the Sugar Bars bloodline; by becoming part of the Legacy!" See you in Sheridan!

WILD CARD

Continuing with our legacy; the first horse sold in the sale will be a "Wildcard." The winning bidder for the "wildcard" lot will have his/her choice of **any** weanling on the sale. With no colt in the ring, the auctioneer will ask for bids on the "wildcard." It will be auctioned in the same manner as every other weanling in the sale, apart from the fact that, no one will know until the bidding is over and the winning bidder chooses his/her weanling, which horse has been sold. That weanling must be claimed immediately on winning the bid – and then will be removed from catalog order. The sale will resume with the remainder of the consigned weanlings in catalog order.

Congratulations

A thick well-balanced Buckskin stallion out of a "Sugar Bars Tough" daughter crossed with our grandson of Playgun- "PR Zans Lil Gunner" a 2014, palomino bred by Pieper Quarter Horses in Nebraska- with a pedigree that also includes Smart Little Lena and Zan Par Barr. "Snoopy" has a laid back, loyal, and willing personality and his babies are proving to be the same. We wish we would have kept more mares out of Toughy.

It is exciting to see his daughters as mamas. This stallion has a long deep body and hip, thick-heavy muscled and heavy boned. "Luigi" is bred and built to move and work a cow! Will load and unload, has several weeks of groundwork. All Woodworth Ranch foals are AQHA Ranching Heritage eligible. Current on worming. Cruz is an exceptional colt with a fantastic disposition, conformation & pedigree. He's smart, friendly & has "performance" written all over him, with the genetics to back him up. With his dam carrying a touch of speed genetics he has the makings of a tremendous BARREL horse, as well. A nice cross of "speed on cow" that so many folks desire. He'll have a penchant for running fast and flat with tremendous athletic ability and a trainable mind. He's has had a lot of groundwork done. Loads & Unloads well, hauls, up to date on deworming & trimming. Video closer to sale time at www.haightranch.com or face book under Haight Ranch Coggins tested. USA Vet. inspected. Finn (finale) is Whispys final baby and if he was a she, she would be my next personal horse. Whispy was the ultimate family horse, we did every single horseback event on her and from 2-90yr olds could get along with her. People will ask specifically for a "Whispy" bred colt. This is your final chance to snag one of the good ones. As you can see in the pedigrees of our mares online, we have several relatives of him in our rodeo line up and broodmare herd. You won't be disappointed in him! She even added a little extra color on him this year! Facebook page: VLW Ranch will keep updated pictures and videos.

JG Smart Lil Colonel aka "Suede" a 2021 Buckskin Roan; out of a daughter of Smart Little Jerry who has NCHA earnings of \$197,389 and produce earning in excess of \$2,800,000. His pedigree has numerous great horses including Colonel Freckles, Doc Olena, Freckles Playboy, Docs Hickory, etc. He has a phenomenal disposition, is smooth, thick muscled, solid feet/legs and so pretty! "Freya's" dam is a mare that we purchased from Gary & Ginger DeCock at the Sugar Bars Legacy Sale and she has grown into a beautiful mare and great mama. It has been fun watching her change colors over the last few months. She is a well balanced filly with a pretty head, strong feet/legs, short back and curious disposition. Will load and unload, has several weeks of groundwork. All Woodworth Ranch foals are AQHA Ranching Heritage eligible. Current on worming. You will get noticed by him. Moe as I call him, seems to be very easy going and takes everything in stride just like his momma. His sire is an all around ranch stud and has sired foals that are in the barrel and roping pens. Moe should mature to 15-15.1 hands which is the perfect size to cover some ground.

Atlas brings a lot to the table in terms of disposition, build and pedigree. This colt has been a favorite at the ranch by all who have seen him this spring. Atlas brings endless possibilities weather you ranch, rodeo or just want a solid mount for shooting sports, he will be your go to guy. His sire "Big Country" has competed and won in several cutting events including the Nile, and as a breeding stallion he has a great disposition in and out of the arena. His sire has had a few colts compete and have sold well at the Nile. Atlas has quite the mother, she is one of the absolute best mares we have owed to date. This mare never competed as a pro but will put athleticism, great minds and a hip that never ends in her offspring. His mother has always produced out top selling colts. Atlas is hard to let go because he was going to be the next great ranch horse for us but we always want to offer our best and that's why he is here. Atlas is good to be around and has hauled very well for being so young, he loads right up in the trailer like he's been doing it his whole life. Atlas will mature between 14.2 and 15 hands. Come check this guy out on sale day, you wont be disappointed.

Jazz is a very athletic filly so don't let her size fool you, she can turn on a dime and give you some change. She has a big heart and is very willing to learn, she is also very sure footed from running on 500 acres in the hills of North Dakota. We like to let these horses run out for a time and just develop as a horse but also figure out the pecking order and just grow into something usable and smart for the future. Jazz stems from a long line of cow bred and cutting bred horses, I mean who hasn't heard of Metalic Cat and Once in a Blue Boon right! Plus she's a blue roan to boot. We believe she will make a great horse no matter what road you take with her, even as a brood mare the possibilities are endless. Her grandmother is a money earner and has quite the reputation at circle 5 quarter horses in Hebron ND. Jazz will mature around 14-14.2 hands and should be thick made like her mother.

"Bean" is our perfect sized, 5 year old, red dun mare. She has been my go to horse for everything. She was my main mount during the elk fire, gathering cattle in tough terrain, dragging calves to the fire, calving season, and any kind of ranch work. You name it! Bean is big enough to hold onto a bull for you if needed. She's seen plenty of long days packing salt up the mountain. Even after hard days she will still be first to meet you at the gate. Bean is fancy broke enough to take to a show. Moves off your legs nicely. She has been started on the heel side, some breakaway, working the cutting flag, and seen a barrel pattern. She has participated in the Wyo Rodeo carrying sponsor flags for all nights of the rodeo. Plenty of colts I've worked off this mare. I've put all ages on her, she sure knows when she's taking care of a kiddo. Although there are a few kids that will be sad to see her go, Bean is ready for the next step in any direction. Truly nothing bad to say about this mare!

Deets, is sweet, honest and dependable just like the character he is named after. He is handsome and handy making him perfect for the show pen or the branding pen. Deets has done all aspects of ranch work from sorting in the corrals, roping in the branding pen, being dependable and sure footed in rough country, and is hobble broke. He has also proven himself in the show pen with AQHA points in reining, ranch riding, ranch trail and performance halter. He took home not one, but TWO All-Around buckles and a plaque for highest ranch riding score at his first AQHA show. He has been my go to for the last year and half on the ranch and is as solid as one can come. Deets has smooth transitions, is a push button lead changer, nice turn around and a big stop! He is Amateur and experienced youth friendly. You will be hard pressed to find a smoother horse with a pitter patter jog, a country covering trot when asked, and a rocking horse lope to boot. If you need your next trusty ranch partner, or a solid trail buddy with all the buttons to go to the show pen and catch the judges eye, Deets is your man. Please contact me with any questions or to schedule a time for you to meet and try him before the sale. 406 720 0330 or see <https://www.facebook.com/rachel.halladam> for videos of him.

Born and raised on the prairie, this gelding can navigate rough terrains and is not afraid to cross water, bridges, or objects! He is incredibly soft, and often has been ridden in a halter or bridleless! Loading and unloading in a trailer are no problem to this guy, and he stands well for farriers. He has been used in the feedlot and trailing cattle his entire life. If you are looking for a great trail horse, companion or basic ranch horse, Apache is well rounded! He stops hard and lopes off easily!

Super sweet talented mare with a lot of eye appeal and talent. Holly is the kind of horse that everyone is looking for, safe enough for an experienced beginner yet talented enough to take to the show pen with more training. She is loaded with personality; she practically halts herself when you go to catch her. She is super kind, ride her bareback with a halter or saddle her up for a trail ride. She has had 30 days with a reined cow horse trainer and showed lots of talent on a cow. She will drag logs, go through water, rides out alone, side passes, has a really nice stop, has a nice handle in the bridle and will neck rein. She loves adventures and is brave in new situations. I know that I will regret selling her because she is my go-to horse that I trust.

Bear is a stunning blood bay gelding with a lot of size. Bred royally top and bottom he rides around like he's bred. With a solid 60 days, he's ready to go any direction. He's very well started in the arena. Been on the mechanical cow, as well as worked some slow cattle. He's got a huge stop and a lot of draw. He's also been used lightly outside to gather yearlings and sort. This colt needs to go to the show been and be in the futurity classes next year. Or he would make an outstanding ranch or rope horse as well. Easy to catch. Good with his feet. Gentle. I encourage you to come look at him before sale day. Please call me at 406-620-7360 FMI. He has been trail ridden all over the mid west and crosses anything, he is good with traffic and un phased by bikes and has been on many overnight trips and is my go to for a midnight ride. He loads himself and has excellent ground manners, he is good for baths and great for the farrier. He is an all around good citizen. He has had a rope thrown off of him but only at a dummy, as all the cattle in my neighborhood are halter broke. FMI 319-432-9134.

"An Irish Remnant" is a 2023 buckskin AQHA mare currently standing 14.3 hands and projected to mature around 15-15.1 hands. "Annie" has a wonderful disposition and is riding beautifully. If you're looking for a great-minded, solid citizen with no funny business, this mare is the one! Annie has around 120 days under saddle and will have about 60 more by sale day. She walks, trots, and lopes around with ease. She has a nice jog, picks up both leads, lopes around on a loose rein, and is soft in the face. She moves off leg pressure, has a solid backup, and opens and closes gates! She is learning how to turn around and is progressing great. Annie has been ridden outside at all 3 gaits, had ropes swung off her, and is comfortable around cattle. She is surefooted and moves out nicely when asked - she has potential to make a nice ranch horse! This nice mare is very quiet and gentle for her age. She is easy to catch in a big pasture and will often greet you at the gate. She stands tied quietly, is great with her feet, bathes, is easy to saddle and bridle, and stands to be mounted. She is not "mareish" or buddy sour and has no vices! She was extremely easy and willing to start under saddle and had absolutely no tightness or buck to her. She is a very sweet horse who always aims to please. Annie would make a fantastic 4-H show horse, working ranch horse, trail horse, ranch versatility prospect, pleasure riding horse, and more. She's progressing nicely in her training, and is ready to be finished in the discipline of your choice! Annie is up to date on deworming, vaccinations, teeth floating, and farrier work. I have x-rays available upon request. This mare has been my personal horse since October, and I am happy to chat more about her! Please call or text Erika at (925) 858-9455 for more information.

Mr Cowboy stands around 14.3, he is a very attractive, eye catching palomino with a white mane and tail and a big hip and powerful hind leg along with excellent foot and bone. He is a very gentle, friendly type horse that is very easy to catch and has never humped or bucked with me. He stays this way even when laid off. I have ridden him in very rough country in the Big Horn Mountains, he crosses water and tolerates unexpected wildlife. I have him started roping the burro and pulling a log in the arena. He side passes over and works gates, tolerates blue tarps and and sorting flags, and is very athletic showing a lot of ability to stop and turn around. An excellent prospect to go on with as a ranch, arena, or recreational use horse. 100% sound, no blemishes, shod, healthy and ready to use. Pictures and video will be available. Call 307-680-5156.

We have had the privilege to own Kix from a weanling. He has always been kind, in your pocket, meet you at the gate kind of horse. He has been through all of the seasons of ranch work; calved on, branded on, sorted off of, doctored off of, drug the calf sled. Will track a cow and has roped many in the pasture. He has the speed and athleticism combined with cows sense. Stands 14.3 big hip and big stop. He has the potential and is started in the right direction to make a great heel, breakaway, ranch or family horse. What ever way you want to go Kix will take you.

Tito is a cute 6 year old gelding who was born and raised on our ranch. His mother was one of my favorite horses to ride. I started Tito myself. Everything comes easy to him, he is always very good to work with, and he has turned into one of our go to horses to get a job done. Tito has been rode in the hills all over our places in MT and ND, as well as in the desert in AZ. He has packed salt and gathered cattle in the mountains in Idaho. No matter what the country is like, Tito is sure-footed and will handle the job. You can use him to gather, doctor, sort, or take him to the branding - anything you need Tito can get it done. I think he would make a really cool heel or breakaway horse too. He stands 14.3 hands tall. For more information or any questions give me a call at 701-580-4966.

GRADE

Berry is a cute 14 hand mare, extremely shapely and flashy, with a lot of bone and quick footed. Roan hairs all through her coat, thick coon tail, mane and tail for days with the kindest eye. She is gentle, laid back, and has a loving personality. The same horse every time she stands to groom, tack up, bridle, get on, tie, and bathe. She loves going on trail rides- thru water, crosses over logs, and up or down any trail you point her too! She has been used outside to gather and push cattle, sort in the corral and we have used her to move the broodmares/stallions around. Most recently she is being ridden by my nieces- Ryggin (17) and Kristin (9). Prior to us owning her she was rode in busy downtown areas. She is an extremely easy keeper, stalls and pastures good alone or with a group of horses. She stands good for farrier and does not crib, weave, pace, or kick. We purchased her shod and have always kept her that way.

Ricky is a 6 year old half draft gelding that we have had the pleasure of owning for 3 years now. He has a very cool way about him and gets noticed wherever he goes. Ricky is super sweet, respectful, and well mannered. We have rode him all over our places in MT and ND and we haul him to AZ with us and ride him out in the desert there. He can sure cover some ground, whether its rough country, up and down hills, or smooth desert trails, Ricky can get it done. He has also been used a lot on cattle and drug a ton of calves at brandings. He has roped bulls in the pasture and been used for sorting and gathering. Anytime a solid, safe mount is needed, Ricky is the one that gets saddled. If you are looking for a stout gelding that is gentle enough to get a job done but you can still use all day, Ricky is your guy! For more information or any questions contact Tregg at 406-384-3197.

CLR MSCHOCOLATEDRIFT "Choka" is 6 y/o black mare that is stunning. At 15.3 hands she has the size to hold on to whatever is on the end of your rope with grace and ease. Choka is very "cowy" and has a great stop. She has done ranch work dragging calves to the fire and has always proved to be sensible. Choka has a very good start and has great potential as a break-away, heading or heeling partner. That being said she would be a great family or ranch horse and she would add a touch of class to any pasture.
