WE WILD CARD!

We are pleased to announce the Sugar Bars Legacy Sale "Wildcard." The 1st horse sold in the sale will be a "wildcard." The winning bidder for the "wildcard" lot will have his/her choice of any weanling in the sale.

With no colt in the ring, the auctioneer will ask for bids on the "wildcard." It will be auctioned in the same manner as every other weanling in the sale, apart from the fact that, no one will know until the bidding is over and the winning bidder chooses his/her weanling, which horse has actually been sold.

That weanling must be claimed immediately on winning the bid - and then will be removed from the catalog order. The sale will resume with the remainder of the consigned weanlings in catalog order.

We haven't decided this filly's color yet. Foxy is Kee's old rodeo horse, probably still the fastest mare on the place at 20!! This maybe her last foal- she is close to retirement. I purchased this colt's sire: PR Zans Lil Gunner with the intent of using him on some of our bay mares with hopes of getting some more color. His sire, aka "Snoopy" is a 2014 Palomino bred by Pieper Quarter Horses in Nebraska- with a pedigree that includes Playgun, Smart Little Lena and Zan Par Barr. You can turn him out for a rest, bring him back in, saddle up and he's ready for his job or to learn some more. "Snoopy" has a laid back, loyal, and willing personality and his babies are proving to be the same. His Dam is a "Shinning Spark" grand-daughter, with Zan Parr Bar, Poco Bueno and Peppy San among her pedigree; she is a beautiful heavy boned, blood Bay with a sweet personality. This guy brings together some great ranch horse and performance horse bloodlines. Woodworth Ranch colts are eligible for the Ranching Heritage Challenges.

We had originally planned on keeping this filly; but being short on hay- we have decided to sell her. Crossing "Cutch" with this Peppy San/Leo, Poco Tivio/Poco Bueno, Doc Bar, Coys Bonanza, Jaguar & Leo bred mare gave us a thick bodied/muscled filly, with a cute head, short back and she's quick on her feet. Her sire stamped her with bone, more muscle, balance & strong feet/legs. "Lucky Old Sol" is a Sugar Bars and Queen's Dividend bred stallion—bred for speed and cow-horse. Young Again

When I think back on the Spring of my life,
the whole world was bright, fresh, and clear.
Like waiting all Winter for a new crop of colts..
the promise, the future, each year.

Funny how time rolls seasons along
as we're trying to make dreams come true.
One thing stays constant—every Spring
fresh colts make old dreams seem new.

They grow up too fast, season don't last,
Winter seems to loom near.
My favorite time is still early Spring...
I'm young when colts reappear.

Silky is out of the heart of our breeding program. She is a full sister to Ross Johnson's teamroping horse, Hawk; he sold for \$14,500 at the Pitzer Ranch Sale in 2011. Eric rode Silky for many years before using her as a broodmare. He said she had a really big motor. She does have a scar on her left front leg above her hoof. The prior injury does not affect her and she has no soundness issues. She's been a good producer; we have had to make some really painful cuts to the herd. She is ultra-sounded in foal to Smart and Royal, a 2007 Sugar Bars bred dun stallion.

We are offering a piece of our breeding program! This nice big black bred mare is easy to handle & quiet with a lot of talent. We put 30 days on her before she had the misfortune of injuring her leg so we bred her. She can run in big pastures in the herd or she is good alone. She is a good breeder - hand bred or pasture bred. She is ultra sounded safe in foal to our cremello stallion; Her busy Shining so will have either buckskin or a smokey black baby in May 2021. Her pedigree represents the very best genetics that we have has the privilege to breed into our herd over the years champion after champion on both sides of her papers. "Sugar" is a 9-year-old mare in foal to Cats Emoji (High Brown Cat x Badgers Playdough) stud in 2021. That cross should produce a really nice foal. She is super sweet and willing with great conformation. She is broke to ride and was used on the ranch but would really make an excellent addition to someone's breeding program. Is not overly "mare-ish" and gets along with other mares and geldings just fine.

Freckles is a pretty little chestnut mare that I bought from Raftery's program in Montana as a yearling to ride, as I love her pedigree and look. BUT she missed getting broke as a 2 and 3 year-old, so we bred her. And guess what? She is the ONLY mare being offered for sale bred to our new son of Metallic Cat, Matalic Shine! You could be the first person to have a "Shine" baby!! This mare is perfect addition to a proven broodmare band, or she can help put your program on the map. We are offering someone an outstanding opportunity, jump on it! Vet checked in foal; she carries a live foal guarantee. Coggins tested. Pictured at 2 yrs. of age.

Jack is a very cute and well-built gelding. He has been rode miles and miles outside. He is very quiet and not much bothers him. Jack has been used to doctor and has been to brandings. I've also roped the dummy with him. He has a great start on the ranch and has tons of potential ahead of him. I hauled Jack to Arizona with me last winter and rode him out in the desert. He handles everything I throw at him extremely well. Jack is the perfect gelding to get the ranch work done and to have fun with on the weekends.

A correct & handsome gelding - A great "go-to" horse. He is very willing and takes his job seriously. Our trainer says about him "what I like about him is that he is consistent, tries hard and has "no silly" in him. The saddle fits him well, he has good legs and feet and he travels nice with his neck level. He has everything it takes to be an OUTSTANDING gelding in or out of the arena". 15:2HH - he's big enough to do any job. He is started in the box and has what it takes to be a great Head Horse. No vices. He's quick & picks up his leads easily - he has a big engine that he keeps under the hood - he's tremendous with talent galore! Started in the box. UTD on worming & shots. "Bob Lee" is a handy sized young gelding that is about as user friendly as they come. He's got a laid-back mentality but will do his job with ambition if asked. His quiet way of moving allows you to prowl through a group of pairs and not have to worry about getting the mama cows worried. If one needs doctored, Bob Lee will be a big help in getting one roped and tied down. He's got a real nice start-heeling steer and has great potential to be a nice rope horse. Always willing to be caught, bob Lee is the kind that you can count on to be ready when you need to just saddle up and ride off. 15 hands, 1,100 pounds.

I have used him to pony racehorses, carry flags in PRCA rodeos, ranch horse competitions, sale barn and ranch rodeos. You would look long and hard to find this big of a gelding that is such a great mover and so gentle as well as a super mind. He is nicely put together with a beautiful head!
